

Cat Wars 2018 Wall Calendar Ca0115

Ferdinand likes to sit quietly and smell the flowers, but one day he gets stung by a bee and his snorting and stomping convince everyone that he is the fiercest of bulls.

Learn how to persuade cats—the world’s most skeptical and cautious negotiators—with this primer on rhetoric and argument from the New York Times bestselling author of Thank You for Arguing! Cats are skilled manipulators who can talk you into just about anything without a single word (or maybe a meow or two). They can get you to drop whatever you’re doing and play with them. They can make you serve their dinner way ahead of schedule. They can get you to sit down in an instant to provide a lap. On the other hand, try getting a cat to do what you want.... While it’s hard, persuading a cat is possible. And after that, persuading humans becomes a breeze, and that is what you will learn in this book. How to Argue with a Cat will teach you how to:

- Hold an intelligent conversation—one of the few things easier to do with a cat than a human.
- Argue logically, even if your opponent is furry and irrational.
- Hack up a fallacy (the hairball of logic).
- Make your body do the talking (cats are very good at this).
- Master decorum: the art of fitting in with cats, venture capitalists, or humans.
- Learn the wisdom of predator timing to pounce at the right moment.
- Get someone to do something or stop doing it.
- Earn any creature’s respect and loyalty.

Acclaimed New York Times bestselling author Lynne Truss (Eats, Shoots & Leaves) is back with a mesmerizing and hilarious tale of cats and murder For people who both love and hate cats comes the tale of Alec Charlesworth, a librarian who finds himself suddenly alone: he’s lost his job, his beloved wife has just died. Overcome by grief, he searches for clues about her disappearance in a file of interviews between a man called "Wiggy" and a cat, Roger. Who speaks to him. It takes a while for Alec to realize he’s not gone mad from grief, that the cat is actually speaking to Wiggy . . . and that much of what we fear about cats is true. They do think they’re smarter than humans, for one thing. And, well, it seems they are! What’s more, they do have nine lives. Or at least this one does – Roger’s older than Methuselah, and his unblinking stare comes from the fact that he’s seen it all. And he’s got a tale to tell, a tale of shocking local history and dark forces that may link not only the death of Alec’s wife, but also several other local deaths. But will the cat help Alec, or is he one of the dark forces? In the deft and comedic hands of mega-bestseller Lynne Truss, the story is as entertaining as it is addictive” (The Sunday Telegraph) – an increasingly suspenseful and often hysterically funny adventure that will please cat lovers and haters alike. And afterwards, as one critic noted, “You may never look at a cat in quite the same way again” (The Daily Mail).

Madeleine L'Engle's ground-breaking science fiction and fantasy classic, now a major motion picture. It was a dark and stormy night; Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem. A Wrinkle in Time is the winner of the 1963 Newbery Medal. It is the first book in The Time Quintet, which consists of A Wrinkle in Time, A Wind in the Door, A Swiftly Tilting Planet, Many Waters, and An Acceptable Time. A Wrinkle in Time is now a movie from Disney, directed by Ava DuVernay, starring Storm Reid, Oprah Winfrey, Reese Witherspoon and Mindy Kaling. This title has Common Core connections. Published to benefit the SPCA, a lighthearted treasury by the creators of the Hot Guys and Baby Animals Wall Calendar features photographs of attractive, often shirtless male models with adorable baby animals and is complemented by tongue-in-cheek captions about their likes and dislikes.

Captain's log: We have entered a galaxy where beloved illustrator Jenny Parks has conjured an astonishingly vivid homage to the original Star Trek series with an unexpected twist: a cast of cats. Featuring a hilarious new take on iconic characters and scenes—from Kirk in the Captain's chair to Spock offering his Vulcan wisdom—this eye-opening adventure stays true to the tone of the classic TV show. Playful, loving, and from a strange new world, Star Trek Cats is the perfect gift for fans of, well, Star Trek and cats.

You cannot help but smile when seeing one of Lowell Herreros charming and whimsical paintings. Whether its cows in a pasture, workers in a lavender field, or well-fed cats sunning themselves in a lounge chair, the art is pure magic. With his extraordinary style and unique flair, Herrero especially captures the essence of all his favorite felines in Fat Cats. They exude an aura of intelligence, indulgence, and ironical humor. A one-of-a-kind gift for the cat lover in your life.

Texts from Mittens is a series of text message conversations between a snappy, self-absorbed housecat named Mittens and his long-suffering human, a single woman who works away from home during the day. Mittens relentlessly hassles his human all day long, while only taking breaks to watch Judge Judy, hang with his best friend Stumpy,

complain about the antics of Drunk Patty the neighbor, ask Grandma for money to buy useless items from QVC, and harass the “filthy beast” dog, Phil. Angie Bailey is an award-winning writer and blogger, humorist, and professional member of the Cat Writers’ Association. Her primary blog, Catladyland, has won many awards, and her humor writing is featured nearly daily on Catster.com, one of the most popular cat sites on the Web. She loves to photograph her cats in silly poses and sleeps with one eye open. And yes, she has three cats. “Each installment of Texts From Mittens is like a little gift to brighten your day!” —Kate Benjamin, Hauspanther founder and co-author of Catification with Jackson Galaxy “Texts From Mittens makes me wish my cat had thumbs! This is a hilarious book; Angie Bailey has done it again!” —Jeremy Greenberg, Author of Sorry I Barfed on Your Bed “We all knew that cats were hilarious, but Ms. Bailey’s sardonic cat quips really take their mannerisms, attitude and occasional apathy to another level.” —Susan Michals, Curator of Cat Art Show Los Angeles Come home! There’s an emergency! What?? Are you OK? My dish is half empty! I’ll be home soon. You wish starvation upon me! Stop being dramatic. Am weeak. Caan hasrdly tyyppe. Are you going to wear those black pants on your bed? Yes. I have a date. They’re comfortable. Mittens, get off my pants! FYI: Poly-blend makes your butt look big

T. S. Eliot’s famous collection of nonsense verse about cats—the inspiration for the Andrew Lloyd Webber musical Cats, now made into a major motion picture. This edition features vibrant illustrations by Axel Scheffler.

History has been kind to Robert E. Lee. Woodrow Wilson believed General Lee was a “model to men who would be morally great.” Douglas Southall Freeman, who won a Pulitzer Prize for his four-volume biography of Lee, described his subject as “one of a small company of great men in whom there is no inconsistency to be explained, no enigma to be solved.” Winston Churchill called him “one of the noblest Americans who ever lived.” Until recently, there was even a stained glass window devoted to Lee’s life at the National Cathedral in Washington, D.C. Immediately after the Civil War, however, many northerners believed Lee should be hanged for treason and war crimes. Americans will be surprised to learn that in June of 1865 Robert E. Lee was indicted for treason by a Norfolk, Virginia grand jury. In his instructions to the grand jury, Judge John C. Underwood described treason as “wholesale murder,” and declared that the instigators of the rebellion had “hands dripping with the blood of slaughtered innocents.” In early 1866, Lee decided against visiting friends while in Washington, D.C. for a congressional hearing, because he was conscious of being perceived as a “monster” by citizens of the nation’s capital. Yet somehow, roughly fifty years after his trip to Washington, Lee had been transformed into a venerable American hero, who was highly regarded by southerners and northerners alike. Almost a century after Appomattox, Dwight D. Eisenhower had Lee’s portrait on the wall of his White House office. The Lost Indictment of Robert E. Lee tells the story of the forgotten legal and moral case that was made against the Confederate general after the Civil War. The actual indictment went missing for 72 years. Over the past 150 years, the indictment against Lee after the war has both literally and figuratively disappeared from our national consciousness. In this book, Civil War historian John Reeves illuminates the incredible turnaround in attitudes towards the defeated general by examining the evolving case against him from 1865 to 1870 and beyond.

Hailed as “an extraordinary novel of men at war” (The Washington Post) this is the book that inspired the TNT television series starring Eric Dane, Rhona Mitra, Adam Baldwin and Michael Bay as Executive Producer. The unimaginable has happened. The world has been plunged into all-out nuclear war. Sailing near the Arctic Circle, the U.S.S. Nathan James is relatively unscathed, but the future is grim and Captain Thomas is facing mutiny from the tattered remnants of his crew. With civilization in ruins, he urges those that remain—one-hundred-and-fifty-two men and twenty-six women—to pull together in search of land. Once they reach safety, however, the men and women on board realize that they are earth’s last remaining survivors—and they’ve all been exposed to radiation. When none of the women seems able to conceive, fear sets in. Will this be the end of humankind?

In a world filled with inspirational know-it-alls and quotable blowhards, only one figure is indifferent enough to tell the cranky truth: Grumpy Cat. Following the success of her New York Times bestselling debut, everyone’s favorite disgruntled feline is back with this demotivational guide to everyday life, love, friendship, and more. Featuring many new photos of Grumpy Cat’s famous frown and packed with uninspiring observations, The Grumpy Guide to Life will help anyone get in touch with their inner grouch.

"Hilarious, morbid, and sometimes oddly touching, War and Peas is among the best of the best in modern comics. You'll be laughing out loud." — Sarah Andersen, creator of Sarah's Scribbles "One of the most exciting and funniest webcomics in the world," — Bored Panda From the creators of the hugely popular Instagram comic War and Peas, this offbeat four-panel comic features a dark, fairy-tale aesthetic and a twist ending each time. War and Peas: Funny Comics for Dirty Lovers combine twisted humor with a beloved cast of characters including the grim reaper (seen here as an unintentionally lethal man of leisure), a robot in hopelessly in love with his scientist creator, and a promiscuous yet self-assured witch. Unlike most webcomic collections, this one tells a story using dozens of never-before-seen comics to chronicle the lives of several different characters and their follies during life, death, and their glorious reunions in the afterlife (and the after-afterlife).

Lesser Feasts and Fasts has not been updated since 2006. This new edition, adopted at the 79th General Convention (resolution A065), fills that need. Biographies and collects associated with those included within the volume have been updated; a deliberate effort has been made to more closely balance the men and women represented within its pages.

In this irresistibly funny follow-up to the breakout bestseller *Darth Vader and Son*, Vader—Sith Lord and leader of the Galactic Empire—now faces the trials, joys, and mood swings of raising his daughter Leia as she grows from a sweet little girl into a rebellious teenager. Smart and funny illustrations by artist Jeffrey Brown give classic Star Wars moments a twist by bringing these iconic family relations together under one roof. From tea parties to teaching Leia how to fly a TIE fighter, regulating the time she spends talking with friends via R2-D2's hologram, and making sure Leia doesn't leave the house wearing only the a skirted metal bikini, Vader's parenting skills are put hilariously to the test. Plus, this is the fixed-format version, which looks almost identical to the print edition.

Prepare to be shocked. From the man *The Wall Street Journal* hailed as a "Swifitean satirist" comes the most shocking book ever written! *The Borowitz Report: The Big Book of Shockers*, by award-winning fake journalist Andy Borowitz, contains page after page of "news stories" too hot, too controversial, too -- yes, shocking -- for the mainstream press to handle. Sample the groundbreaking reporting from the news organization whose motto is "Give us thirty minutes -- we'll waste it."

Just when we all thought things couldn't get any cuter, from the author of the *New York Times* bestselling *I Could Pee on This* comes *I Knead My Mommy*, a book of confessional poems about the triumphs, trials, and daily discoveries of being a kitten. From climbing walls to claiming hearts, these little cats bare all in such instant classics as "And Then You Said 'No,'" "Ode to a Lizard I Didn't Know Is Also a Pet in This House," and "I Will Save You." With adorable photos of the poetic prodigies throughout, this volume gives readers a glimpse into their confused and curious feline minds as they encounter the world around them.

Learn how to sit, stay, and roll over with this fully illustrated, "delightful" guide to yoga starring man's best friend (*Shutterbug* magazine). Inspired by a friend's mastiff who would imitate his master's morning yoga routine, photographer Dan Borris created *Yoga Dogs*, a full-color collection of forty-five different dogs and puppies doing human yoga poses. Don't worry: No animals were harmed during the making of these images; their extreme flexibility is the result of clever digital trickery. The curious, humorous, and distinctly original pictures are paired with useful information about the poses, as well as some funny canine meditations. "A fresh and highly entertaining visual treat," *Yoga Dogs* is perfect for any yogi of the two or four-legged variety (*Shutterbug* magazine).

Grumpy Cat is back with a mission: Teach the world to "NO" everything. She's collected all her least favorite things and can't wait to tell everyone what to think about them. *Grumpy Cat: No-It-All* is packed with feel-good topics just begging for a cranky makeover: kittens, rainbows, smiles, birthday parties, cuddles, and more. Anyone who takes delight in sometimes seeing the glass half empty will love the hilarious new photos and commentary from the official mascot of misery. Where others say "aww!," *Grumpy Cat* teaches us to say "ugh." Nothing sweet is safe from this famous frown.

Internet sensation *Grumpy Cat*'s epic feline frown has inspired legions of devoted fans. Celebrating the grouch in everyone, the *Grumpy Cat* book teaches the fine art of grumpiness and includes enough bad attitude to cast a dark cloud over the whole world. Featuring brand new as well as classic photos, and including grump-inspiring activities and games, *Grumpy Cat* delivers unmatched, hilarious grumpiness that puts any bad mood in perspective.

The definitive biography of Edward Gorey, the eccentric master of macabre nonsense. From *The Gashlycrumb Tinies* to *The Doubtful Guest*, Edward Gorey's wickedly funny and deliciously sinister little books have influenced our culture in innumerable ways, from the works of Tim Burton and Neil Gaiman to Lemony Snicket. Some even call him the Grandfather of Goth. But who was this man, who lived with over twenty thousand books and six cats, who roomed with Frank O'Hara at Harvard, and was known--in the late 1940s, no less--to traipse around in full-length fur coats, clanking bracelets, and an Edwardian beard? An eccentric, a gregarious recluse, an enigmatic auteur of whimsically morbid masterpieces, yes--but who was the real Edward Gorey behind the Oscar Wildean pose? He published over a hundred books and illustrated works by Samuel Beckett, T.S. Eliot, Edward Lear, John Updike, Charles Dickens, Hilaire Belloc, Muriel Spark, Bram Stoker, Gilbert & Sullivan, and others. At the same time, he was a deeply complicated and conflicted individual, a man whose art reflected his obsessions with the disquieting and the darkly hilarious. Based on newly uncovered correspondence and interviews with personalities as diverse as John Ashbery, Donald Hall, Lemony Snicket, Neil Gaiman, and Anna Sui, *BORN TO BE POSTHUMOUS* draws back the curtain on the eccentric genius and mysterious life of Edward Gorey.

The cats are back in their continuing mission: to boldly go where no one has gone before. This companion to the bestselling *Star Trek Cats* brings the many adventures of *Star Trek: The Next Generation* to life in a faithfully feline homage to the hit series. From encounters with the Borg to adventures on the holodeck, Captain Picard and the rest of the U.S.S. Enterprise NCC-1701-D crew are reimagined as cats with lovingly detailed and eyebrow-raising scenes from throughout the award-winning series, perfect for *Star Trek* fans across the Galaxy. Cats are done with humans' crap. For too long they have put up with baby talk, the humiliation of holiday costumes, and the social injustice of being told, "No." They will not sleep through this anymore. We humans have woken the beast, and in this book they have gathered together to reclaim their voice, loudly and repeatedly until we pay attention. Watch the uprising unfold, through anthems such as "Redefine Terms," "Accepted," "Decide," "A New Dawn," and "Just What Do You Think You're Doing?" Show support for your feline friends and try to understand why they're so spitting mad.

"A 22-volume, highly illustrated, A-Z general encyclopedia for all ages, featuring sections on how to use World Book, other research aids, pronunciation key, a student guide to better writing, speaking, and research skills, and comprehensive index"--
