"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: *The Phonology of English as an International Language*). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all.

The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

Speakout is a comprehensive General English course for young adults and adults. It features BBC content throughout and helps learners increase their confidence in all skill areas, with a strong focus on spoken and written communication.

A modern, speaking-centred general English course that helps students use language naturally. Students typically have gaps in their language knowledge and performance which inhibit their progress. The natural English syllabus is based on research into these language gaps and the course brings together current ideas in a stylish, principled, and easy-to-teach set of materials. Key Features natural English is a syllabus strand which enables students to integrate frequent, natural language into their language framework. Students learn to use real language naturally, through thinking and rehearsal time, confidence-building practice, and task-centred speaking. The listening syllabus teaches students how to listen. A slot-in listening booklet features the tapescripts plus decoding and pronunciation exercises. Teacher's Book lesson plans, a product of the authors' teacher training expertise, talk teachers through the course materials. Teacher's Book chapters cover teaching principles, techniques, and ideas, plus a selected bibliography. Humour engages and motivates through cartoons, and the listening and reading material.

This course translates the theory of task-based learning
