

Forse Amore

In this first US publication of celebrated Italian poet Bianca Tarozzi, narrative poems (presented bilingually in both English and the original Italian) carry us through the poet's childhood memories of World War II under Mussolini, harsh post-war conditions, and mid-century changes that transformed Italian life, specifically for women. A unique figure in contemporary Italian poetry, Tarozzi draws significant influence from acclaimed American poets—Robert Lowell, Elizabeth Bishop, and James Merrill—interweaving powerful subjects with humor and heart. After: you have packed the suitcase, shut off the gas, turned all the lights out, locked the window and the big outside door, when you lean against a wall, afraid of falling, and wait, expecting the vehicle, the means that will transport you far away, when the sky sails clear, blue, and annihilating above the overpass, and you have no past or future, in that empty moment poetry pitches its tent. Bianca Tarozzi was born in Bologna in 1941. Her father was a political prisoner under Mussolini, and then a Senator after the war. She received a degree from Ca' Foscari University of Venice, and taught English and American Literature for many years at the University of Verona. The recipient of numerous literary honors, she has translated into Italian the works of Elizabeth Bishop, Emily Dickinson, James Merrill, Richard Wilbur, A. E. Housman, Denise Levertov, and Louise Gluck. Also the author of many books of poetry, she began writing poems in 1947, and continues to this day. She currently splits her time between Venice and Milan, Italy.

Piero Bigongiari (1914-1997) was among the most prolific and consistent Italian poets of the last century. He was central to the 'third generation' of ermetismo – the movement that voiced the mysterious, the hidden and the abstract. Bigongiari was a poet of origins, exploring the grounding of cultures in landscape and myth, the depths and limitations of home, and the symbols and narratives that sustain an individual's bond to places. His poetic technique was based on the elaboration of motifs, tracing evolving ideas in a web of verbal themes and variations. Bigongiari's was a voice of memory, dreams and the surprises of the psyche, speaking beyond politics or ideology to express an Italian sense of existing in modern times. Yet his work is unfamiliar to most Italians and English-language readers. This book – the first English in-depth study of the poet – addresses the roots of Bigongiari's writing and moral ideas, which took form during the Second World War. After the fall of fascism and the destruction of much of his beloved Florence, Bigongiari abandoned the mystical style of his first collection, seeking greater emotional immediacy and a more incisive view into Italy's mental life. His fixation on origins arose from a belief that the fascist generations had been untrue to themselves; his technique of elaboration began as an attempt to sustain fragile creativity from one poem to the next. The destructive fire of war became the crucible in which he reinvented his art. Drawing on the full range of Bigongiari's wartime writing, from his major poetry collection Rogo [Pyre or Blaze] to essays, diaries and new archival discoveries, this book is a portrait of an author overcoming crisis and confronting the failures of his time head-on. *A Voice in the Fire* will appeal to fans of Italian literature and poetry, and particularly fans and students of Bigongiari's work. It will also be enjoyed by anyone interested in WWII writing, European war poetry or European history.
