

## Fuzzy Bee And Friends Touch And Feel Cloth Books

Two star high school basketball players, one black and one white, experience the justice system differently after committing a crime together and getting caught. An ALA Best Book for Young Adults. Reprint.

This adorable padded cloth book comes with a miniature pajama-clad teddy bear, attached to the book's spine with a ribbon. Full color. Consumable.

Discover more about our fuzzy little insect friends with award-winning author and illustrator Charlotte Milner. The perfect introduction to bee conservation for little ones. Learn all about the beautiful world of bees and their adventure from flower to flower. You'll find out just how much they matter, why they are declining, and what we can do to help in this adorable kids' book. Bees are brilliant at building, super social creatures and along with other insects, are responsible for a third of every mouthful of food you eat! Children will be fascinated by the beautiful pictures and learn plenty of buzz-worthy fun facts in every chapter, covering types of bees, beehives, beekeeping, how they pollinate plants and make honey. A beautiful kid's educational book about bees with a crucial message: not only does it inform and educate about an issue that is a real threat, but it also delivers it in a way that is gripping for all ages. A dazzling celebration of bees, packaged in a gorgeous hard backed book made with high- quality paper and spectacular illustrations. What's The Buzz About Honey Bees? Meet the humble honeybee face-to-face - an animal that is considered nature's hardest worker, in this engaging, educational kids book that you can treasure forever. What do they do all day? Why are bees important? Find out why they need our help and what you can do. Bees are responsible for so much more than making honey. This book is an essential tool in encouraging the protection of our precious buzzing friends for generations to come. Learn all about these valuable creatures: - What happens in the hive - What pollination is - Who the queen is - How honeybees talk to each other - How we can help them and much, much more! This adorable book is one of three children's books on conservation by award-winning author Charlotte Milner and includes The Sea Book and The Bat Book for your little ones to enjoy.

First and foremost a novel about public shaming in the internet age, *If You Don't Have Anything Nice to Say* by Leila Sales is also an exploration of the power of words, the cumulative destructiveness of microaggressions, and the pressing need for empathy. Before we go any further, I want you to understand this: I am not a good person. We all want to be seen. We all want to be heard. But what happens when we're seen and heard saying or doing the wrong things? When Winter Halperin—former spelling bee champion, aspiring writer, and daughter of a parenting expert—gets caught saying the wrong thing online, her life explodes. All across the world, people know what she's done, and none of them will forgive her. With her friends gone, her future plans cut short, and her identity in shambles, Winter is just trying to pick up the pieces without hurting anyone else. She knows she messed up, but does that mean it's okay for people to send her hate mail and death threats? Did she deserve to lose all that she's lost? And is "I'm sorry" ever good enough? Decide for yourself.

-Perfect for babies and toddlers. -Touch and feel luxurious fabrics help to develop sensory awareness. -Pictures of incredibly cute animals from cold places. -Fun rhyming text makes this a book that every child will treasure.

What does it mean to be fully alive? Magic blends with reality in a stunning coming-of-age novel about a girl, a grandfather, wanderlust, and reclaiming your roots. Things are only impossible if you stop to think about them. . . . While her friends are spending their summers having pool parties and sleepovers, twelve-year-old Carolina — Carol — is spending hers in the middle of the New Mexico desert, helping her parents move the grandfather she's never met into a home for people with dementia. At first, Carol avoids prickly Grandpa Serge. But as the summer wears on and the heat bears down, Carol finds herself drawn to him, fascinated by the crazy stories he tells her about a healing tree, a green-glass lake, and the bees that will bring back the rain and end a hundred years of drought. As the thin line between magic and reality starts to blur, Carol must decide for herself what is possible — and what it means to be true to her roots.

Readers who dream that there's something more out there will be enchanted by this captivating novel of family, renewal, and discovering the wonder of the world.

From New York Times Bestselling Author Maria V. Snyder Choose: a quick death... or slow poison... Locked deep in the palace dungeon for killing her abuser, Yelena knows she'll never be free again. The laws in Ixia are strict, and murderers must be executed, no matter the reason. But just as she's resigned herself to her fate, she's offered an extraordinary reprieve. As the food taster, Yelena will eat the best meals, have rooms in the palace—and risk assassination by anyone trying to kill the Commander of Ixia. To make matters worse, the chief of security deliberately feeds her Butterfly's Dust, and only by appearing for her daily antidote will she delay an agonizing death from the poison. As Yelena tries to escape her new dilemma, disasters keep mounting. Rebels plot to seize Ixia and Yelena develops magical powers she can't control. Her life is threatened again, and in order to survive, she must unravel the secrets behind the past she's been running from. The Chronicles of Ixia Series by Maria V Snyder Book One: Poison Study Book Two: Magic Study Book Three: Fire Study Book Four: Storm Glass Book Five: Sea Glass Book Six: Spy Glass Book Seven: Shadow Study Book Eight: Night Study Book Nine: Dawn Study

Millie Moo is trying to find her friends, but some wacky animals, such as parachuting penguins and fish with fingers, keep getting in the way.

Sugar Wallace did not believe in love at first sight, but her bees did. . . . Every spring Sugar Wallace coaxes her sleepy honeybee queen—presently the sixth in a long line of Queen Elizabeths—out of the hive and lets her crawl around a treasured old map. Wherever the queen stops is their next destination, and this year it's New York City. Sugar sets up her honeybees on the balcony of an East Village walk-up and then—as she's done everywhere since leaving South Carolina—she gets to know her neighbors. She is, after all, a former debutante who believes that manners make the world a better place even if they seem currently lacking in the big city. Plus, she has a knack for helping people. There's Ruby with her scrapbook of wedding announcements; single mom Lola; reclusive chef Nate; and George, a courtly ex-doorman. They may not know what to make of her bees and her politeness, but they can't deny the magic in her honey. And then there's Theo, a delightfully kind Scotsman who crosses Sugar's path as soon as she gets into town and is quickly besotted. But love is not on the menu for Sugar. She likes the strong independent woman she's become since leaving the South and there's nothing a charmer like Theo can do to change her mind . . . only her bees can do that. The Wedding Bees is a novel about finding sweetness where you least expect it and learning to love your way home.

The soft cloth book features a happy giraffe and his smiling friends. A touch of the pages produces an irresistible crinkling sound and a shake reveals gentle rattling. Fabric tabs extending from each page provide more stimulation for little fingers.

"Why should HE be famous? WE'RE the ones who pull his sleigh! Until Santa says, "Sorry," they said, "We'll be on our way." Santa's reindeer are tired of him stealing the spotlight every Christmas. When they leave and form a band, the reindeer become famous rock stars overnight and are far too busy to pull the sleigh! Will they ever return to the North Pole? Find out in the most rockin' Christmas tale ever!

Follow the Easter Bunny on a grand springtime adventure, with a wheel to spin and tabs to pull Meet the Easter Bunny who brightens his world wherever he goes! Push, pull, spin, and slide your way through his enchanted land. On the front cover, readers can spin a wheel to animate the character, and holographic foil creates a truly egg-celent effect. With gentle rhymes, bright colors, and a bit of sparkle and shine, this novelty board book is sure to delight!

All around an old oak tree, baby animals are being put to bed in this sweet reimaginaing of a classic nursery rhyme. Rock-a-bye Squirrel, high in the tree, in Mommy's arms, cozy as can be. The familiar lullaby takes on a new life in Jane Cabrera's cozy rendition. In the branches and beneath the roots, tucked into nooks and nests, different animals, large and small, are getting ready for bed. The baby bat nestles with its mother, the bunny burrows in safe and warm—even a cheerful, fuzzy spider settles on its sparkling web. At the end, a human father and his baby watch the tree from a distance, joining in on the sleepy song. With clever new lyrics and bright, sweet illustrations of all kinds of animals, this is an irresistable addition to Jane Cabrera's library of refreshed nursery rhymes. . . and perfect to share with little ones you love.
