

Glencoe Student Online Edition

Join the Zebra stampede with the program that's uniquely organized around major Themes, Big Ideas, and Main Ideas!

Glencoe Health is a comprehensive health program, provided in a flexible format, designed to improve health and wellness among high school students. Real-life application of health skills helps students apply what they learn in health class toward practicing good health behavior in the real world. Hands-on features are integrated with technology, assessment, and up-to-date health content. Features Hands-on activities-based program focuses on health skills, avoiding risk behaviors, and promoting health literacy. Academic integration throughout the program includes research-based reading and writing strategies in every lesson, as well as Real-World Connections emphasizing math concepts and activities, and Standardized Test Practice focusing on Math and Reading/Writing. Fitness is emphasized through the program with the Fitness Zone. The Fitness Zone includes tips in the Student Edition for incorporating fitness into everyday life, activities in the Teacher Edition, a special section of the Online Learning Center, and a heart-rate activity workbook with CD-ROM. The latest technology includes videos, podcasts, activities for handheld devices, the online student edition, PowerPoint DVD, StudentWorks Plus, and TeacherWorks Plus. Includes: Print Student Edition

Food for Today provides students with the information and skills they need to make safe and healthful food decisions, plan and prepare meals safely, and appreciate the diversity of foods. It emphasizes the basics of nutrition, consumer skills, food science principles, and lab-based food preparation techniques. Includes: hardbound student edition aligned to the content standards.

Peace of mind with regard to your financial situation is an attainable and worthwhile goal, and Kapoor, Dlabay, and Hughes provide practical guidance on how to achieve that goal in today's world. For example, the authors suggest actions for improving employability in tough economic times. In addition, Personal Finance addresses getting and staying out of debt; financing a college education; managing a future financial crisis; and investing in conservative securities to minimize losses during economic downturns. Managing your money in order to obtain freedom from financial worries - that's what the 10th edition of Personal Finance is all about.

Geometry: Concepts & Applications, ©2004 covers all geometry concepts using an informal approach. The Student Edition maintains algebra 1 content throughout and every concept is connected to real-world applications. Plus, teachers have the option to cover geometric proofs in Chapter 15. Geometry: Concepts & Applications uses a clean lesson design with many detailed examples and straightforward narration that make geometry topics inviting and geometry content understandable.

Glencoe's Computer Concepts in Action is intended to meet the needs of secondary students and teachers. This highly visual text teaches essential computer concepts and skills through hands-on activities and projects. Concepts, such as ethics, careers, hardware, software applications, the Internet, and e-commerce, are taught using high-interest topics and real-world scenarios that are designed to engage students. Step-by-step and guided projects teach the basics of Windows, Word, Excel, PowerPoint, and Access, while reinforcing ethics, computer fundamentals, and other issues that students will need to succeed in school, at home, and at work. Photographs and illustrations make this book visually appealing and universally accessible to students of varying levels and abilities. Leveled assessments are provided for students who need extra practice and for students who need more independent, challenging work.

Glencoe's NEW Marketing Essentials covers the very latest trends in marketing, including green marketing, marketing uses of social media, e-marketing, and global marketing. An all-new 'magazine feel' gives the book added interest, and it is available online with McGraw-Hill's exclusive Connect and Connect Plus. Using Connect teachers can manage their classes completely online, while students complete their work, which is checked and placed in a grade book for the teacher. Students can even use Connect to do their homework on a PPA, iPhone, or iPod Touch! Connect Plus adds an online student edition. Glencoe Marketing Essentials is correlated to the latest National Marketing Standards, and incorporates academic content and research-based reading strategies throughout the text. DECA Connection features help students prepare for competitive events. Marketing Essentials meets all Perkins standards for academic rigor, relevancy, and relationships Includes Print Student Edition
