Manhattan Prep's 5 lb. Book of GRE Practice Problems is an essential resource for students of any level who are preparing for the GRE revised General Exam. Recently updated to more closely reflect the nuances of the GRE exam, this book offers more than 1,800 questions across 33 chapters and online to provide students with comprehensive practice. Developed by our expert instructors, the problems in this book are sensibly grouped into practice sets and mirror those found on the GRE in content, form, and style. Students can build fundamental skills in math and verbal through targeted practice while easy-to-follow explanations and step-by-step applications help cement their understanding of the concepts tested on the GRE. In addition, students can take their practice to the next level with online question banks that provide realistic, computer-based practice to better simulate the GRE test-taking experience. Purchase of this book includes access to an online video introduction, online banks of GRE practice problems, and the GRE Challenge Problem Archive.

"I would definitely buy this book if I were applying again."--Rodney Bryant, Macquarie Bank, Australia, formerly of Morgan Stanley, New York Learn all about MBA admissions techniques and skills from an expert! MBA Admissions Strategy guides candidates through the four most important aspects of a successful, competitive business school application: Competitive Strategy Profile Development Essay Management and Writing Technique This lively and accessible new book takes you step-by-step through the process of producing a successful MBA application, with primary emphasis on the essays. The book outlines a system for candidates to identify the competitive value of their past and construct an application profile and compelling message from this. The book then deals with the typical essay questions that applicants face and shows candidates how to fit their profile message to each question: how to know what to write, which essay to write it in, and how to write it well. Along with specific templates and solutions for improving expression, the book shows readers how to avoid common essay pitfalls. An essential must-read for all those considering applying for a MBA.

The bad news is, you can't avoid the GMAT torture if you intend to go to graduate business school. Because of the grade inflation that skews GPAs, most graduate business schools now require the GMAT as a way of separating the wheat from the chaff. Now for the good news: By doing well on the GMAT you can overcome years of goofing off in school. A dynamite GMAT score can get you into a graduate program that otherwise wouldn't look twice at you and your C+ GPA. On the other hand, even with a GPA of 4.0 from a top-flight school, you'll be facing some pretty stiff competition, and a high GMAT score could make the difference between being admitted or not. If you're one of the quarter of a million business school hopefuls taking the GMAT this year, you'll want to use this friendly guide to help you outsmart the competition. Written by long-time test prep coach Suzee Vlk, The GMAT For Dummies offers you an enjoyable way to get quickly up to speed with what you need to know to: Fine-tune your test-taking skills Bring the right stuff to the test Psych out the test Spot traps built into test questions Figure out the point behind questions Make the best educated guesses Combat test-taking anxiety Use your breaks wisely Save time and beat the clock The GMAT For Dummies features dozens of practice questions, two complete practice tests, and reviews to help you monitor your progress. And it's loaded with test-taking tips, tricks, and expert advice on how to: Assess your strengths and weaknesses Think "the GMAT way" Approach different types of questions Nail the grammar questions Ace the reading comprehension and critical reasoning questions Shine on the analytical writing assessments Master the general math questions Excel on the data sufficiency math questions This fat-free test prep guide is for bright, ambitious people on the move. It gets you on track with what you need to know and can use on the GMAT quickly, efficiently, and thoroughly.

This new 2017 edition contains never-before-seen material, including 61 quantitative, 61 verbal, and 8 integrated reasoning questions with full explanations to enhance your level of preparation. The GMAT's scope and importance make it a high-pressure exam. Don't waste valuable time going over what you already know. This book helps you discover what you don't know, and tailor your review to turn weaknesses into strengths. Develop a personalized review plan based on a 100-question diagnostic test to help make the most of your study time Read actual essay topics, sample responses, and scoring information Review over 900 exam questions, 61 quantitative, 61 verbal, and 8 online integrated reasoning questions Comprehensive grammar and math review Questions organized in order of difficulty to focus your study Updated to include all the corrections from the first printing Confidence is key, but actual knowledge is what drives a high score. Thorough preparation is the most valuable advantage you can have on the GMAT, and The Official Guide for GMAT Review 2017 delivers a personalized review plan tailored to you.

The industry-leading Sentence Correction GMAT Strategy Guide delves into every major principle and minor subtlety of grammar tested on the GMAT. From its comprehensive list of GMAT-specific idioms to its tailored coverage of topics such as pronouns and parallelism, this guide teaches exactly what students need for GMAT Sentence Correction—and nothing that they don't. Unlike other guides that attempt to convey everything in a single tome, the Sentence Correction GMAT Strategy Guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student, while topical sets of Official Guide problems provide the opportunity for further growth. Used by itself or with other Manhattan Prep Strategy Guides, the Sentence Correction GMAT Strategy Guide will help students develop all the knowledge, skills, and strategic thinking necessary for success on the GMAT. Purchase of this book includes one year of access to Manhattan Prep's online computer-adaptive GMAT practice exams and Sentence Correction Question Bank. All of Manhattan Prep's GMAT Strategy Guides are aligned with both the 2015 Edition and 13th Edition GMAC Official Guide.

ACE THE GMAT is based on a simple but powerful observation: Test-takers who score high on the GMAT exam do so primarily by understanding how to solve a finite number of the most important, recurring problems that appear on the GMAT. What are these important, recurring problems? The answer to this question is the basis of this book. This manual provides in-depth analysis of over 200 all-star problems that are key to mastering the seven major GMAT problem types including Problem Solving, Data Sufficiency, Sentence Correction, Critical Reasoning, Reading Comprehension, Analytical Writing, and Integrated Reasoning. Apart from providing readers with answers and full explanations, a special feature of this book is that each problem is categorized by type ("classification"), rated by difficulty level ("chili rating"), and supplemented with a problem-solving strategy ("snapshot"). "Chance favors the prepared mind." Whether you're a candidate already enrolled in a test-prep course or are undertaking self-study, this guidebook will serve as a rigorous skill-building study guide to help you conquer the math, verbal, analytical writing, and integrated reasoning sections of the exam. Studying for the math and verbal sections of the GMAT exam requires some 100 hours of study time. This book's content is conveniently divided into topics, which require two to three hours of study time per day. Total study time will vary between 80 to 120 hours for the entire 40 days. Solving (Official exam instructions for Problem Solving, Strategies and approaches, Review of basic math, Multiple-choice problems, Answers and explanations); Chapter 3 – Data Sufficiency (Official exam instructions for Data Sufficiency, Strategies

and approaches, How are answers chosen in Data Sufficiency? How do the big seven numbers work? Multiple-choice problems, Answers and explanations); Chapter 4 – Sentence Correction (Official exam instructions for Sentence Correction, Strategies and approaches, Review of Sentence Correction, Multiple-choice problems, Answers and explanations); Chapter 5 – Critical Reasoning (Official exam instructions for Critical Reasoning, Strategies and approaches, Review of Critical Reasoning, Multiple-choice problems, Answers and explanations); Chapter 6 – Reading Comprehension (Official exam instructions for Reading Comprehension, Strategies and approaches, Review of Reading Comprehension, Answers and explanations); Chapter 7 – Analytical Writing Workshop (Official exam instructions for the Analytical Writing Assessment, Strategies and approaches, Review of Analytical Writing, Essay exercises, Outlines and proposed solutions); Chapter 8 – Integrated Reasoning Workshop (Official exam instructions for Integrated Reasoning, Strategies and approaches; Review of Integrated Reasoning with exercises, Answers and explanations); Appendix I – GMAT and MBA Informational Websites (Registering for the GMAT exam; MBA fairs & forums; MBA social networks; GMAT courses; Other GMAT & MBA websites; Information on business school rankings); Appendix II – Contact Information for the World's Leading Business Schools (U.S. business schools; Canadian business schools; European business schools; Australian business schools; Asia-Pacific business schools; Latin and South American business schools; South African business schools); Quiz – Answers; On a Personal Note; Praise for Ace the GMAT. “Finally, a book that helps you master those learning skills that are critical to success on the GMAT.” —Linda B. Meehan, former Assistant Dean & Executive Director of Admissions, Columbia Business School
