Attention Safety Communicators: Do you want everyone Speaking the Same Language on Safety? Your workforce is going to give you about one minute to convince them to work safely. Do you know what to say, or write, in those first 60 seconds? Employees quickly tune out when they hear bland, irrelevant safety messages. For too long they have been fed complicated, legalistic communication written for compliance that totally ignores that people actually want to feel safe at work. What is needed is a new and easy way to create compelling, targeted risk communication that catches attention and keeps it. Yet, at the same time builds a safe, thriving and productive environment. This new way is "Transform Your Safety Communication." This is the book for you, if you want to:

- Create clear, consistent safety messages, so everyone works to a common standard.
- Understand the psychology behind why people don't listen.
- Engage workers on safety, no matter how cynical.
- Learn how to produce authentic and heart felt communication that builds trust.
- Quickly generate relevant safety communication with easy to use frameworks and templates.
- Accelerate your communication skills to boost your career prospects.

What other Safety Leaders are Saying: "A thoroughly enjoyable read and will now take the place of my dictionary as the most used book on my desk." Michael Carney, HSE Manager Sydney, StarTrack "Simple sound theory backed up with experience, filled with tips and examples of the good, the bad, and the ugly of safety communication, finishing with a "how to" guide." Rachel Murphy, Health Safety and Compliance Coordinator, IHBI Queensland University of Technology "If you want to engage others and change their behaviour through effective communication, then this book is for you." Paul Harper, CEO/Principal Mining Engineer, AMC Consultants You'll Wish You Could Have Read it Years Ago! If you want to be the inspirational safety leader that you've always dreamed of being, then get your copy today.
