Zombies and voodoo collide in this Anita Blake, Vampire Hunter, novel from #1 New York Times bestselling author Laurell K. Hamilton. Becoming the fiancée of master vampire Jean-Claude is wreaking havoc with Anita Blake's reputation as a hardass—to some extent. Luckily, in professional circles, she's still the go-to expert for zombie issues. And right now, the FBI is having one hell of a zombie issue. Someone is producing zombie porn. Anita has seen her share of freaky undead fetishes, so this shouldn't bother her. But the women being victimized aren't just mindless, rotting corpses. Their souls are trapped behind their eyes, signaling voodoo of the blackest kind. It's the sort of case that can leave a mark on a person. And Anita's own soul may not survive unscathed... In the instant New York Times bestseller that started the Dark Elements series, one kiss is enough to kill... Layla just wants to fit in at school and go on a date with Zayne, whom she's crushed on since forever. Trouble is, Zayne treats Layla like a sister—and Layla is a half demon, half gargoyle with abilities no one else possesses. And even though Zayne is a Warden, part of the race of gargoyles tasked with keeping humanity safe, Layla's kiss will kill anything with a soul—including him. Then she meets Roth—a demon who claims to know her secrets. Though Layla knows she should stay away, it's tough when that whole no-kissing thing isn't an issue. Trusting Roth could ruin her chances with Zayne, but as Layla discovers she's the reason for a violent demon uprising, kissing the enemy suddenly pales in comparison to the looming end of the world. "Armentrout works her magic with swoon-worthy guys and a twist you never see coming."—#1 New York Times bestselling author Abbi Glines "Armentrout is a major talent... Kiss and cry. Ice magic Knight of the Ice 1 Knight of the Ice Bookshop owner Penelope Thornton-McClure and her ghostly companion must solve the case of a literary killer in this Haunted Bookshop mystery from Cleo Coyle, writing as Alice Kimberly. Pen has just received an extremely rare collection of Edgar Allan Poe's complete works. Rumor has it a secret code, trapped within the books' leather-bound pages, leads to buried treasure. Well, it looks like they got the buried part right—because, as Pen sells off the valuable volumes, everyone who buys...dies. Once these books go missing from their owners' cold hands, Pen will need resident ghost and hard-boiled P.I. Jack Shepard to help crack the case. The police are skeptical that the deaths involved foul play—so it's up to them to unravel these shocking endings...

If you sense someone's watching you from afar, or if you feel a shadow other than your own at your back, I might as well pack it up and call it a day. It's a job that makes a killing. Efficient, professional, and without apology, Lily Mansfield is a hired assassin, working as a contract agent for the CIA. Her targets are the powerful and corrupt, those who can't be touched by the law. Now, after nineteen years of service, Lily has been drawn into a dangerous game that hasn't been sanctioned, seeking vengeance for her own reasons. Each move bolder than the next, she is compromising her superiors, drawing unwanted attention, and endangering her very life. Though stress and shock have made her feel somewhat invincible and a little cocky, Lily knows that she too can be taken out in an instant. And if it's her time, so be it. She intends to go down fighting. A CIA agent himself, Lucas Swain recognizes the signs of trauma in the line of fire. His orders: either bring her in or bring her down. Yet he too is

drawn into the game with Lily Mansfield, dancing on a tightrope as he tries to avoid a major international incident while still battling a tenacious foe who is dogging their every step. Keeping laser focus on the task at hand while vigilantly watching her back, Mansfield never sees the lethal peril that lies directly in her path . . . and how loyalty has a price. Chock-full of the intrigue, breathless action, and sensuality that have made Linda Howard the master of romantic suspense, *Kiss Me While I Sleep* is a daring thriller of passion, sudden twists, and richly imagined characters who live and breathe in readers' hearts. It is the most gripping and complex novel of Linda Howard's career.

Of all winter sports, none is so widely watched and commented upon by the media as figure skating, which is often considered the Winter Olympics' centerpiece. This critical text examines the ways in which media attention has gradually altered and affected the sport, from the early appearances of Sonja Henie, to skating's gradual audience growth via television, and to the ramifications of the scandals in the 1994 and 2002 Olympics. The topic is illuminated by more than 30 interviews with commentators, skaters, producers, directors and others. In addition to numerous photos, illustrations show the compulsory figures for which "figure skating" got its name, as well as a sample of the charted-out "camera blocking" for TV directors. Appendices include collected anecdotes from early broadcasting experiences; a profile of broadcaster Jim McKay; and commentary from Carol Heiss on her 1961 musical *Snow White and the Three Stooges*.

become, dramatically changed his life. From that day forward Pat's life took turns that were both spectacular and destructive: from the Huntley-Brinkley Report and afternoons at Bobby Kennedy's living room with Muhammad Ali to conversations with six Presidents. He did acid with Timothy Leary, drank with Mickey Mantle, and over the course of a remarkable career up close and personal with the Beatles, The Stones, The Kennedy's, Magic Johnson, Michael Jordan, Tiger Woods and virtually every star in Hollywood. In I'LL BE BACK RIGHT AFTER THIS, Pat reveals the highs and lows of the life of a radio and TV broadcaster, spent sharing the mic with the world's rich and famous while battling an infamous public scandal and demons that nearly killed him. With laughter, tears and miracles he reveals how he learned to accept his mistakes, find redemption and become the father he never had, proving there really are second and even third acts in life.

25th Anniversary Edition—with an Introduction by the Author! The Owens sisters confront the challenges of life and love in this bewitching novel from the New York Times bestselling author of *The Rules of Magic*, *Magic Lessons*, and *The Book of Magic*. For more than two hundred years, the Owens women have been blamed for everything that has gone wrong in their Massachusetts town. Gillian and Sally have endured that fate as well: as children, the sisters were forever outsiders, taunted, talked about, pointed at. Their elderly aunts almost

seemed to encourage the whispers of witchery, with their musty house and their exotic concoctions and their crowd of black cats. But all Gillian and Sally wanted was to escape. One will do so by marrying, the other by running away. But the bonds they share will bring them back—almost as if by magic... “Splendid...Practical Magic is one of [Hoffman's] best novels, showing on every page her gift for touching ordinary life as if with a wand, to reveal how extraordinary life really is.”—Newsweek “[A] delicious fantasy of witchcraft and love in a world where gardens smell of lemon verbena and happy endings are possible.”—Cosmopolitan

Describes how children perceive time and death, tells how to provide a Christian explanation about death, and offers advice on teaching children to mourn

The fourth book in the “outstanding” (Romantic Times) Elemental Assassin fantasy series featuring Gin Blaco, who by day is a waitress at a Tennessee BBQ joint, and by night is a tough female assassin. I’d rather face a dozen lethal assassins any night than deal with something as tricky, convoluted, and fragile as my feelings. But here I am. Gin Blanco, the semi-retired assassin known as the Spider. Hovering outside sexy businessman Owen Grayson’s front door like a nervous teenage girl. One thing I like about Owen: he doesn’t shy away from my past—or my present. And right now I have a bull’s-eye on my forehead. Cold-blooded Fire elemental Mab Monroe has hired one of the smartest assassins in the business to trap me. Elektra LaFleur is skilled and efficient, with deadly electrical elemental magic as potent as my own Ice and Stone powers.

Which means there's a fifty-fifty chance one of us won't survive this battle. I intend to kill LaFleur—or die trying—because Mab wants the assassin to take out my baby sister, Detective Bria Coolidge, too. The only problem is, Bria has no idea I'm her long-lost sibling . . . or that I'm the murderer she's been chasing through Ashland for weeks. And what Bria doesn't know just might get us both dead. . . .

Welcome to Destiny, or should I say Middle Earth... Jack Lang, sheriff, former Navy pilot. To say Destiny was not what I expected would be like saying Wolverine's fingernails were long enough for a manicure. I'd been looking for Mayberry, a quaint little safe town to raise my daughter. That ship sailed when I met Tempest Pomeroy, who turned out to be a storm witch with a djinn brother and an ex who was... hell, I don't know what he is. But I wasn't sure I could stay. I had a teenage daughter to consider. Tempe Pomeroy, Tempestaerie, mail lady, and - as Jack likes to say - trouble magnet. Isn't it just like a man to exit a relationship when he finds out a woman has a few little secrets? In case you haven't figured it out, I'm the woman with the secrets. Following Jack's, um, enlightenment, he finally started investigating my little brother's disappearance, but time is running out and our relationship has gone from attraction to suspicion, support to friendship, romance to oh-my-god-get-away-from-me revulsion. Jack's an ex-Navy pilot. He says he wants to know "everything". He may stick around, help me save my brother and discover the whereabouts of my mother, but I doubt he'll still want to take me to the Mardi Gras ball, once he knows "everything". He'll probably take the first jet out of Middle Earth. 'Cause there's a lot of everything... Myth, magic, and monsters—the stuff of childhood dreams (or nightmares) and adult fantasies. Delve into these classic fairy

tales retold with a queer twist and surrender to the world of seductive spells and dark temptations.

A rom-com manga on ice, perfect for fans of Princess Jellyfish and Wotakoi. Kokoro is the talk of the figure-skating world, winning trophies and hearts. But little do they know... he's actually a huge nerd! From the beloved creator of You're My Pet (Tramps Like Us). Chitose is a serious young woman, working for the health magazine SASSO. Or at least, she would be, if she wasn't constantly getting distracted by her childhood friend, international figure skating star Kokoro Kijunami! In the public eye and on the ice, Kokoro is a gallant, flawless knight, but behind his glittery costumes and breathtaking spins lies a secret: he's actually a hopeless romantic otaku, who can only land his quad jumps when Chitose is on hand to recite a spell from his favorite magical girl anime!

E. L. Shen's *The Comeback* is a heartfelt, #OwnVoices middle-grade debut about a young girl trying to be a champ—in figure skating and in life. Twelve-year-old Maxine Chen is just trying to nail that perfect landing: on the ice, in middle school, and at home, where her parents worry that competitive skating is too much pressure for a budding tween. Maxine isn't concerned, however—she's determined to glide to victory. But then a bully at school starts teasing Maxine for her Chinese heritage, leaving her stunned and speechless. And at the rink, she finds herself up against a stellar new skater named Hollie, whose grace and skill threaten to edge Maxine out of the competition. With everything she knows on uneven ice, will Maxine crash under the pressure? Or can she power her way to a comeback? Set in Lake Placid, New York, this is a spunky yet stirring middle-grade story that examines racism, female rivalry and friendship, and the enduring and universal necessity of love and support.

It was a beautiful, warm summer day, the day Danny died. Suddenly Wren was alone and shattered. In a heartbroken fury, armed with dark incantations and a secret power, Wren decides that what she wants—what she must do—is to bring Danny back. But the Danny who returns is just a shell of the boy Wren fell in love with. His touch is icy; his skin, smooth and stiff as marble; his chest, cruelly silent when Wren rests her head against it. Wren must keep Danny a secret, hiding him away, visiting him at night, while her life slowly unravels around her. Then Gabriel DeMarnes transfers to her school, and Wren realizes that somehow, inexplicably, he can sense the powers that lie within her—and that he knows what she has done. And now Gabriel wants to help make things right. But Wren alone has to undo what she has wrought—even if it

means breaking her heart all over again.

A high school warrior-in-training gets lessons in surviving a mysterious assassin in the New York Times bestselling author's YA urban fantasy novel. I'm Gwen Frost, a second-year warrior-in-training at Mythos Academy, and I have no idea how I'm going to survive the rest of the semester. One day, I'm getting schooled in swordplay by the guy who broke my heart—the drop-dead gorgeous Spartan Logan Quinn who slays me every time. Then, an invisible archer in the Library of Antiquities decides to use me for target practice. And now, I find out that someone at the academy is really a Reaper bad guy who wants me dead. Now, with Logan's help, I'll have to learn to live by the sword—or die trying.

Assisting a hysterical woman who claims she was forced to commit murder, serial murder expert Dr. Charlotte Stone reluctantly draws on her ability to communicate with the newly dead to uncover the work of a sadistic serial killer.

In some children, the old blood shows, giving them strength, speed, and mystical power. In the cities of Abeth's Corridor, such children are prized. But on the

vast ice plains of Abeth, those traits lead children to burn bright and die young, and the discipline of the priests is harsh. Any child who shows signs of the old races is cast into the Pit of the Missing, never to be seen again. Yaz is only sixteen, but she feels a burgeoning gift and she knows the next gathering will be her last--the priests see everything, and her aberrance will not be tolerated. But then she is spared and her brother is identified as one of the broken and cast down into the pit. Stunned, awash with guilt and grief, she flings herself in after him. She expects to find death. Instead she finds a sprawling, secret civilization, where survival is even less assured than on the ice plains. And she soon realizes that this underground empire revolves around a great truth--and an even greater evil--that puts all of Abeth in danger.

The Ice Crystal By: Kameron Wright Rias is not your typical hero. She's small, weak, unskilled at combat. Sure, she's the daughter of a power-mad tyrant working to reshape the world in his image, but he left her behind as an infant. She doesn't know him or his plans—doesn't want to know them. Soon, though, Rias is going to find herself thrust into the heart of a conflict so huge it could spell the end of everything. It's going to take a miracle for this young girl to come out on top. The Ice Crystal saga sets the stage for conflict on a scale beyond imagination. Pitted against her father, Nefal, Rias must learn and grow

quickly to become worthy of a legendary weapon and harness the power of a goddess. Her journey will be difficult. Be warned: Happy endings might be hard to come by in the bleak reality that Rias and her friends must face.

A spoiled royal hungry for excitement. A young man who hates nobles. Can they foil a kidnapping before they fall prey to an enemy's deadly magic?

Seventeen-year-old Princess Nora Abrios is lonely and bored. Though she's a frost eater who creates magical ice, she'd give anything for a chance to really cut loose. When a commoner's flying antics capture her attention, she seizes the opportunity to partner up and escape her dreary palace duties. Krey West's girlfriend Zeisha disappeared weeks ago. He vowed to discover her fate. So when his unusual magic catches the eye of the privileged princess, he jumps at the chance to find his love by exploiting the monarchy he hates. But he's surprised by his feisty new ally's willingness to defy her family and dig deep into the nation's darkest secrets... As new evidence shocks Nora, she makes the fateful choice to flee the capital and join Krey in banishment. And when they uncover a sinister plot which runs darker than the disappearance of one girl, Krey resolves to do whatever it takes...even if he must face down a dragon. Can Nora and Krey save Zeisha and expose a shadowy enemy, or will their prying spell their doom? --- The Frost Eater is the

enthraling first book in the Magic Eaters dystopian YA fantasy trilogy. I guess he is, but he and I have this understanding. We're friends because we both think dating is an annoying pain in the butt. Don't get me wrong. I love my bff's, but they've both lost their minds a little since boys came on the scene. All I want to focus on is making varsity soccer as a freshman. Crazy hard, but I know I can do it with Graham's help (yes, he's an amazing athlete, and no, I have not noticed the muscles in his legs when we're practicing. Seriously. I haven't. Because that would be a complete disaster and ruin everything in my entire life, and no, I'm not exaggerating). But when late night practices, pizza disasters, accidental dates, and ice cream food fights change all the rules between us, suddenly everything that matters to me is about to go into a major crash and burn. Pretty, flighty Daisy Devreaux can either go to jail or marry
the mystery man her father has chosen for her. Arranged
marriages don't happen in the modern world, so how did the
irrepressible Daisy find herself in this fix? Alex Markov, as
humorless as he is deadly handsome, has no intention of
playing the loving bridegroom to a spoiled little feather-head
with champagne tastes. He drags Daisy from her uptown life
to a broken down traveling circus and sets out to tame her to
his ways. But this man without a soul has met his match in a
woman who's nothing but heart. Before long, passion will
send them flying sky high without a safety net... risking it all in
search of a love that will last forever.
