hidden betrayal. Is it possible to forgive the man who shattered my heart? Especially with his child in my womb? Fotografia sportiva e stunt riding. Ediz. illustrata: "Qualche volta ci andava bene e nessuno si faceva nulla, altre volte l'atterraggio non era perfetto e vedevamo l'asfalto un po' troppo da vicino. Nulla ci poteva fermare, si ricominciava sempre con la convinzione che al prossimo giro ci saremmo riusciti."

Autunno 2015. Un villaggio immerso nella nebbia vicino a Verona. Un uomo torna dal lavoro e siede a tavola con la moglie e il figlio di tredici anni, che ama più di ogni altra cosa al mondo. Si risveglia sulla poltrona all'una e un quarto di notte. Gli altri già dormono. Non capisce cosa stia vedendo sullo schermo della TV ancora accesa, si rende appena conto che è qualcosa che lo terrorizza quando si alza, va in cucina, cerca nei cassetti, prende un coltellaccio, ma lo lascia cadere per terra. Meglio l'accetta. Esce, va nella legnaia e sale a compiere il suo dovere. Con questo omicidio apparentemente incomprensibile inizia l'incubo di Verona, l'ondata rossa di follia, come viene subito ribattezzata dai media. Un poliziotto e un giornalista fanno del loro meglio per capire cosa stia accadendo, nella speranza di riuscire a bloccare le stragi familiari che si susseguono a ritmo serrato. Mai avrebbero immaginato che i loro incubi adolescenziali, fatti di romanzi horror e sette magiche, potessero divenire quotidianità. Cthulhu è dietro l'angolo. Aspetta soltanto che qualcuno pronunci le parole giuste.

Seit dem Zweiten Weltkrieg hat Amerika einen immensen Einfluss auf die deutsche Sprache und Kultur genommen, der in einer Reihe von Erhebungen quantitativ an Einzelbeispielen untersucht worden ist. Der Band analysiert breitgefächert das tausendfache Anglizismenaufkommen in der illustrierten Zeitschrift, der überregionalen Presse, der Boulevard-Zeitung, der Jugend-Presse und den Werbeschriften. Besonderes Augenmerk gilt dabei auch der sprachlichen Kreativität der entlehnten englischen Wörter am Beispiel des Modeanglizismus "Look" sowie der in der deutschen Werbung verwendeten Angloamerikanismen vielfältigster Prägung und kommentiert deren Sinn und Unsinn."

De la Mobyette au Booster, cela fait plus d'un demi-siècle qu'une même usine a mis la France de l'après-guerre, puis la France des minots " ziva " sur deux roues. Une entreprise sous deux noms différents, puisque Motobécane est passée du statut de structure familiale à celui de filiale d'un grand constructeur japonais, sous le nom de MBK. Motobécane a vécu cette mutation dans la douleur. Dassault, Peugeot et Renault ne lui ont pas fait de cadeaux. Mais elle a aussi traversé ces cinquante ans portée par une véritable euphorie technique. Les ventes de la Mobyette ont généré des moyens colossaux que Motobécane a longtemps réinvestis dans la recherche. Cet ouvrage dévoile les étonnants prototypes qui sont le résultat d'une telle politique. L'histoire de cette usine est aussi une histoire d'hommes, car Motobécane a toujours brillé en compétition. La marque française détient en effet le plus beau palmarès en termes de Grands Prix.

In Oriente imperversa una nuova epidemia, la terza di questo

secolo. Le notizie giungono frammentate ai cittadini di un mondo globale e tecnologico. Una minaccia atavica vissuta come distante da un'umanità per cui le parole contano sempre meno. Ma, improvvisamente, l'epidemia è fra noi. Nelle case e nelle strade, ora deserte, la nostra vita è di colpo sostituita da diffidenza, paura, solitudine, dolore e morte. La natura riprende i suoi spazi ed emerge, chiara, la nostra fragilità. Dieci parole fanno da guida a un gruppo di medici immersi nella pandemia e soli. Piccoli semi che, in un crescendo di idee, possono indicarci la via per rompere la solitudine e vivere un domani. Dieci parole che vivono nelle esperienze al limite di chi, negli ospedali e nel territorio, cerca di salvare e di chi, solo e disperato, cerca di non morire. Narrazioni di un periodo unico che ci ha segnato e che avrà avuto un senso solo se, alla fine, avremo imparato qualcosa su di noi e sul nostro pianeta.

Un debutto letterario raffinato e convincente. L'Autore combina tecniche stilistiche diverse tra cui quella fascinosa del monologo interiore e le amalgama in uno stile fluido e moderno. La storia, temporalmente sviluppata nell'arco di poche giornate, prende il via dalle improvvise dimissioni del ventisettenne Giulio che decide di affrancarsi da una buona situazione lavorativa vittima di una subdola e astuta malattia interiore: il vuoto nichilistico. Riflessioni esistenziali, rapporti interpersonali essenzialmente giocati sul filo di una sottile ironia, scelte impulsive e azioni apparentemente sconsiderate, questa la cornice entro cui si muove il protagonista sempre sull'orlo dell'oscuro baratro della depressione. Pronto a spiccare il volo ma ancorato a una disperata quanto euforica insoddisfazione. Tutto perde di significato per Giulio, e tutto acquista intensamente significato nei piaceri più semplici e immediati, in quelli che definisce brevi eccezionali incantesimi multisensoriali. Giulio si sente un urlo dilaniato che raschia le tonsille e non esprime

alcunché, un gatto addomesticato, intontito e castrato sul comodo divano dei genitori. Distante in una indifferente apatia, alla smaniosa ricerca dell'oblio, dello stordimento beato dei sensi in week-end evasivi senza fine, fino a quando, nelle viscere inquiete di Giulio nasce e si sviluppa un feroce senso di rabbia, come un coltello dalla lama lunga e affilata conficcato in profondità attraverso lo sterno negli strati ultimi essenziali della sua anima nuda, che riesce finalmente a liberare il grido, l'urlo inespresso. Andrea Agostini nasce a Foligno (Pg) nel 1983, ottiene il diploma di maturità al Liceo Classico Brocca F. Frezzi della sua città, si laurea a pieni voti al corso di Laurea in Comunicazione di Massa dell'Università degli Studi di Perugia. Appassionato di cinema e letteratura entra nel mondo della produzione video e fotografica, lavora come assistente alla regia al fianco di un regista Rai, documentarista di "Geo & Geo", si occupa delle riprese di alcuni spettacoli multimediali al Teatro Morlacchi di Perugia e altri teatri dell'Umbria. Vince nel 2012 il premio Miglior Fotografia al concorso video nazionale "Se la spegni la accendi" promosso da Pubblicità Progresso e LILT (Lega italiana per la lotta contro i tumori). Nello stesso anno lascia il lavoro per concedersi un anno sabbatico e realizzare così dei viaggi in Europa e nel lontano Sud-Est Asiatico.

Après un accident cérébral fortuit, la vie bien tranquille d’Alexis Médéor va être irréversiblement bouleversée. Sans le savoir, il est unique. À lui seul, il peut changer la destinée de millions de gens. Toutefois, sa singularité va susciter

Autrefois, elles portaient des talons hauts et des bas noirs quand leurs hommes sortaient en costume-cravate. Aujourd'hui, leurs héritières sont plus souvent chaussées de baskets. Celles qui gravitaient au siècle dernier autour des malfrats parisiens, lyonnais, marseillais ou corses étaient serveuses, barmaids ou croupières dans les cercles de jeux, tenaient la comptabilité occulte ou bien géraient en mères maquerelles les maisons de passe. Aujourd'hui, les femmes hors-la-loi ont grandi dans les cités et se sont pour la plupart investies dans le trafic de drogue, l'activité criminelle la plus lucrative du moment, elles sont dealeuses, passeuses, blanchisseuses ou nourrices, sans pour autant laisser tomber les vieilles recettes, à commencer par tout ce qui se rapporte au commerce du sexe. Sans oublier celles qui sont tombées dans la criminalité par amour, celui d'un homme, d'un frère, d'un clan... Pour donner corps à ce Parrains & caïds au féminin, Frédéric Ploquin et Maria Poblete ont rencontré ces femmes, ont su tisser des liens avec elles et les ont convaincues de témoigner, de raconter leur vie. Ils ont également souhaité et obtenu l'autorisation de séjourner pendant une semaine dans la seule prison française

exclusivement réservée au sexe dit « faible », expression dont on mesurera au fil de ces pages la désuétude... Ces femmes hors-la-loi vous surprendront par leur détermination, leur langage et leur force de frappe. Frédéric Ploquin est l'auteur aux Editions Fayard de la série Parrains & caïds consacrée au banditisme. Il est spécialiste des affaires de police et de justice à Marianne. Maria Poblete est journaliste et écrivain.
