Author Jasmin Rogg draws from her own extensive experience as a psychotherapist, addiction and recovery group facilitator, and her own personal struggle with substance abuse and long-term sobriety. She compiled a collection of writings meant to offer inspiration and information for recovery and change. After introducing readers to her own story and her path through addiction and recovery, Rogg goes on to write with honesty and compassion about the issues at the heart of substance abuse and recovery. She shares how embracing Buddhism's teachings of mindfulness practice help foster emotional regulation and healing—two important aspects of maintaining ongoing sobriety. She does not shy away from difficult topics, tackling issues such as abuse, trauma, love, attachment, and suffering, all while shining a light on the things we tell ourselves and about why we do what we do. *Waking Up Sober* inspires insight and understanding, and includes adverse childhood experiences and relational issues as underlying factors for self-destructive behavior patterns. Rogg intersperses her own poems throughout the book, which ultimately serve to ground the topics in humanity.

people who walked with God as he poured himself out through them to a world in need. What if God never changed? What if he is still speaking to us and longing to work miraculously through us? What if it isn't a matter of more training or effort but simply receiving and releasing everything he already purchased? "Life in the Overflow" invites you to know God intimately as your Daddy in a way that spills out of you naturally. Filled with disarming honesty and fervent expectation, this book mirrors a reflection of who you are, who your God is and what he actually longs to do through "ordinary, messy kids" today!

I never planned to fall in love. Least of all with a woman, you. But I did, and telling you was the hardest thing I ever did. I knew how you would reach first, but I never anticipated how hard it will be for me or how you reacted next. I had to write, for the first time ever, and now we face book number two. I wrote just to tell you how I feel, what I think. All the things I wanted to say to you but you didn't want to listen. So I wrote, and wrote, and wrote. Flood of thoughts, feelings, whatever came to my mind. Just to give me five minutes of strength to get out of bed. I wrote for me. I wrote for you. Most of them are here. My pain, my love, my longing, my hesitations, My certainty. I know you don't want to hear from me, don't want to read what I have to tell you. But I have to get them out of me, if not to you then just out there, to the

world who doesn't know me. Maybe some day you will find your courage and return. Until then my love, You Still don't Know How Much I Love You.

Franklyn was born into a gritty north of England town. His expected path through life would have him live out his years in the manner of that town's baseline existence. But it wasn't to be. Perhaps he was pre-selected to break rank so that bigger dreams could be fulfilled. Whatever the prime force may have been, he was to know a different life.

Perhaps, too, the corridors of our own reality are flimsier than we believe! On the other side of the wall may lie another path. As Franklyn himself discovers, a perceived reality can be as real as reality itself.

God is always talking to us: we cannot be separated from Him. These are only two of the meaningful revelations Tony Arnold shares with us in this remarkable book. What follows is a remarkable dialogue between Tony and God: a dialogue about the creative powers of humans, our oneness with God, Heaven on earth, and love. As God leads Tony to new knowings and better ways of living, the reader is drawn along on a meaningful journey of discovery and letting go - letting go of fear and judgment in favor of peace and wisdom. There is wisdom here for every reader - for those who are lost and scared, for those searching for the meaning of life, and for those who simply want to be closer to God.

The Path of Shadow: Self and Universal Completion is about becoming whole by integrating your shadow and light, experiencing the underlying domain of the source, and understanding the mathematical nature of reality. This book is divided into three sections, the first explores your shadow self, primal urges, lusts, and secret desires. The second, outlines techniques for experiencing the source through frequency states, mental sex, psychedelics, art, symbols, and various mental exercises. In the third, the mathematics of the source and innerlight is introduced, explaining how existence is possible, how space and time began, and the purpose of the universe.

Cassie Porter's family has always pushed her to be an agent for Veritas, the agency responsible for policing nearly all aspects of life for witches living side by side with "regulars." Mixed magick, a result of her mixed blood, leaves Cassie's power volatile. It's only by standing on her own that Cassie untangles her power, and Drew Carter, new to the magickal world, finds the world where he really belongs.

Cristian Vega has a talent very few people know about: he's a musician. And he's quite good. The problem he faces is that he has no confidence in himself and is overly concerned about what others think of him, and this fear of rejection has turned Cristian into an introvert. The day after his nineteenth birthday, Cristian receives a call from his girlfriend who tells him that she's met someone else. Confining himself to his bedroom, Cristian has become an emotional wreck and vows to never allow himself to fall in love again. After calling his cousin in an attempt to get his mind off of his ex-girlfriend, Cristian sets in motion a chain of events that will change his life forever. And it all begins with the meeting of a girl... Emma Turner is quite sick of dating the same kind of man-tall, clean-cut and handsome-and every guy she meets seems more interested in trying to impress her than they are in learning

anything about her. When Cristian Vega begins attending the same church as her, she finds herself inexplicably drawn to him. None of her friends understands her attraction to Cristian and they are sure to tell her that every chance they get. Emma's problem isn't in getting her friends to accept Cristian, her bigger issue is in getting Cristian to admit his feelings to her before the successes of being a musician tears them apart. THE PATH tells the story of overcoming one's fear of rejection in order to pursue one's dream regardless of what may come.

"A wondrous, sparkling fusion of wisdom and insight." - Patricia Santhuff What do the wonderful myths of ancient Greece, the beautiful stories in the Bible and Qur'an, and all the sacred stories from traditions around the world, have in common? They open our hearts to wonder, mystery, passion, and joy. I know, on the outside these stories seem very different, confusing, conflicting, and often violent and divisive. But when read symbolically and internally, they are all telling the same story. They show us the path of spiritual awakening and enlightenment. Sometimes the story is called "Returning to the Promised Land." Sometimes it's called "Seeking the Holy Grail." Sometimes it's called "Persephone's Return to Olympus." But whatever it's called, the inner meaning and purpose is always the same. The stories are all a call to awaken, to live passionately and consciously, and to enter the door that leads to enlightenment and communion with the divine. The door

is always open. The light is always ready to receive us. But we have to learn how to tread the path! Fortunately, that's what all the sacred stories are really about. THE DOOR IS OPEN uncovers the 7 Universal Steps that are found within the symbols and allegories of all great mythology and scripture. Each chapter ends with a series of practical and enjoyable spiritual exercises and activities. You can do this work on your own, or together with a group. It could be a church or synagogue group, a book club, a classroom, or any group of friends who want to get together and expand their spiritual horizons.

Archbishop Desmond Tutu, Nobel Peace Prize winner, Chair of The Elders, and Chair of South Africa's Truth and Reconciliation Commission, along with his daughter, the Reverend Mpho Tutu, offer a manual on the art of forgiveness—helping us to realize that we are all capable of healing and transformation. Tutu's role as the Chair of the Truth and Reconciliation Commission taught him much about forgiveness. If you asked anyone what they thought was going to happen to South Africa after apartheid, almost universally it was predicted that the country would be devastated by a comprehensive bloodbath. Yet, instead of revenge and retribution, this

new nation chose to tread the difficult path of confession, forgiveness, and reconciliation. Each of us has a deep need to forgive and to be forgiven. After much reflection on the process of forgiveness, Tutu has seen that there are four important steps to healing: Admitting the wrong and acknowledging the harm; Telling one's story and witnessing the anguish; Asking for forgiveness and granting forgiveness; and renewing or releasing the relationship. Forgiveness is hard work. Sometimes it even feels like an impossible task. But it is only through walking this fourfold path that Tutu says we can free ourselves of the endless and unyielding cycle of pain and retribution. The Book of Forgiving is both a touchstone and a tool, offering Tutu's wise advice and showing the way to experience forgiveness. Ultimately, forgiving is the only means we have to heal ourselves and our aching world.

of seconds. Learn how to integrate the profound, transformational sound healing process of vocal toning into all facets of your life, work and relationships. DALE ALLEN HOFFMAN is a "civilian scholar," mystic and healer - Ancient Insight for the Present Moment. Rather than studying religious history from within the orthodoxy of theological institutions, Dale chose to step off the track of religious programming and take a path less traveled. He empowers others to stop "eating from the menu being served" and to instead embrace an honest, balanced exploration of the actual, authentic history of The Yeshua Teachings in all of its manifestations. He travels internationally sharing the experiential philosophies veiled beneath millennia of misunderstandings, skewed translations and a general lack of perception. Dale has published numerous audio and video programs and Echoes of an Ancient Dream is his first book. Awe and exhilaration--along with heartbreak and mordant wit--abound in Lolita, Nabokov's most famous and controversial novel, which tells the story of the aging Humbert Humbert's obsessive, devouring, and doomed passion for the nymphet Dolores Haze. Lolita is also the story of a hypercivilized European colliding with the cheerful barbarism of postwar America. Most of all, it is a meditation on love--love as outrage and hallucination, madness and transformation.

I will not surrender to terrorism By Mr.Gijo Vijayan. This book aims at preventing a person from becoming a terrorist. The author aim at killing the motive behind terrorism, whatever may be the reason behind. Forgive and forget, the world will be safer. An eye for an eye make the whole world blind, said Mahatma Gandhi. If you know anyone, who has extreme and radical views on religion or any ideology, that cause harm to society. This book can be an eye opener to narrow minded people, who think I am right and whole world is wrong. Stop revenge, forgive and forget, the world will be safer. For nations to live in peace, stop quest for dominance, stop trying to grab someone's land or sea. More investment in military makes common people suffer indirectly. Billions of dollars spent on military expenses can be diverted for betterment of the lives of people, if there is no friction between nations. Billions of dollars spent on atom bombs, missiles, ships, fighter planes etc will eventually of no use to the betterment of humanity. If a third world war occurs, there won't be anyone left to celebrate victory, so it is foolishness to wage war in the name of any ideology or religion. There is only One way to stop terrorism - Education. When millions of people refuse to become terrorist at any cost - by applying thought, the purpose of this book is achieved. Do not be misled into thinking that a great deal of knowledge without correcting and cultivating one's conduct can be of any use. Never! Ahl al-Bayt (as) have said, "Do not be tyrannical scholars so your falsehood may wipe out your righteousness" (al-Saduq's Amali, Vol. 9, p. 294). "Nor should you be misled into thinking that a bad mannered person can be happy in the company of a father, a son, a spouse, a friend, a companion, a family, a teacher or

a student. Nay! They all are harmed by him, and they find his conduct offensive; so, how can he attain the means of perfection which are scattered among the people while those who are perfect shun and run away from him?! And be further informed that anyone who discerns the path of Ahl al-Bayt, peace be upon them, studying their legacy, will find how they guided mankind, attracted people to the creed, all through their good manners, ordering their followers to do likewise saying, "Invite people [to your creed] but not with your tongues" (Al-Kafi, Vol. 2, p. 46), meaning through good manners and beautiful deeds, so that they may be role models for those who emulate. So, if it becomes obvious that seeking this life or the life to come can both be complete through good manners, and that complementing the code of ethics is the benefit of the Message without which life can never be good, it becomes also obvious that cultivating manners has a precedence over any other obligation and is more important than any obligation. It is the key to everything good, the source of everything beautiful, the one which brings about every fruit, and the basis of any objective.
