MARADONA is the definitive new biography of a true global icon, from world-renowned football writer and journalist Guillem Balagué. Diego Armando Maradona was widely acclaimed as a genius. One of the greatest footballers of all time, he was also one of the most controversial. In an international career with Argentina he earned 91 caps and scored 34 goals and played in four FIFA World Cups. With his unforgettable 'hand of God' goal and unsurpassed second one in the 1986 quarter-final against England, he captained his nation and led them to victory over West Germany in the final in Mexico. His vision, passing, ball control and dribbling skills, and his presence and leadership on the field, often electrified his own team's overall performance. Maradona's club career included dazzling spells in his own country at Argentinos Juniors, Boca Juniors and Newell's Old Boys, and in Europe with Barcelona, Napoli and Sevilla. Yet his life was one of relentless media attention, including tales of drug abuse and constant health issues. Based on in-depth interviews and first-hand stories, Guillem Balagué's masterly biography represents a psychological and

sociological approach to the legend. This journey of exploration takes Guillem to Argentina, Spain, Italy and Dubai. Along the way, he asks what fosters such adulation, and how this adoration engendered a self-destructive personality. Even after his untimely death in 2020, Maradona continues to fascinate: his divine status seemingly preserved for ever.

In the 109th minute of the game he slotted the ball into the back of the net to put Portugal 1-0 up and take victory from the French in their own backyard. As team captain, Ronaldo lifted the trophy in celebration of his country's first-ever major competition win. When the man you worshipped as a kid becomes your coach, it's supposed to be the greatest thing in the world.

Keywords: supposed to. It didn't take a week for twenty-seven-year-old Sal Casillas to wonder what she'd seen in the international soccer icon--why she'd ever had his posters on her wall, or ever envisioned marrying him and having super-playing soccer babies. Sal had long ago gotten over the worst non-break-up in the history of imaginary relationships with a man that hadn't known she'd existed. So she isn't prepared for this version of Reiner Kulti who shows up to her team's season: a quiet, reclusive shadow of the explosive, passionate man he'd once been. Nothing could have prepared her for the man she got to know. Or the murderous urges he brought out in her. "Sal, please don't make me visit you in jail.

Orange isn't your color." This was going to be the longest season of her life.
