Bretton Woods regime that had governed post-World War II international monetary relations. Complementing earlier works that emphasize international political and economic factors, Joanne Gowa's book examines the ways in which domestic influences contributed to this crucial action. In *Closing the Gold Window*, she argues that the mid-1971 decision was the consequence, in part, of the high priority Nixon administration officials assigned to maintaining U.S. freedom of action at home and abroad. She also maintains that the organization of the U.S. government for the conduct of international monetary policy played a role in the decision that ended the Bretton Woods regime.
