The Reapers Line Life And Death On The Mexican Border

The sexy continuation of the New York Times bestselling Reapers Motorcycle Club series. As Reapers Motorcycle Club president, Reese “Picnic” Hayes has given his entire life to the club. After losing his wife, he knew he’d never love another woman. And with two daughters to raise and a club to manage, that was just fine with him. These days, Reese keeps his relationships free and easy—he definitely doesn’t want to waste his time on a glorified cleaning lady like London Armstrong. Too bad he’s completely obsessed with her. London is independent, and she likes it that way. Besides running her own business, London’s got her junkie cousin’s daughter to look after—a more reckless than average eighteen-year-old. Sure she’s attracted to the Reapers’ president, but she’s not stupid. Reese Hayes is a criminal and a thug. But when her young cousin gets caught up with a ruthless drug cartel, Reese might be the only man who can help her. Now London has to make the hardest decision of her life—how far will she go to save her family?

"When Rosie dies in a car crash, she learns that before going to Paradise, she must return to earth as a reaper and collect three souls"

There is no escaping a Reaper. I am an elite assassin, part of a brotherhood that only answers to Death. And when Death says your time is up, I’m coming for you… When Erith directs me to infiltrate the enemy and topple them from within, I immediately accept the challenge. I figure it’ll be easy until a stunning warrior goddess crosses my path and diverts my attention. The
problem? She’s in league with those I was sent to take down. However, I soon discover there is more to her than meets the eye and quickly find my mission divided: disband this new group of Fae Others and save the gorgeous Light from her family—and herself. All it takes is one look, one conversation to know that she’s mine, and I will chance Death’s displeasure to make it so. But the risks are great. Because when you fall in love with the enemy, more than your heart is on the line.

A narrative poem about the death of Elaine, "the lily maid of Astolat".

I've always felt like an average girl ... except for my strange relationship with death. You could say I like to court it. Whether I'm soaring through the air as a flyer for Specter University's cheer squad, or speeding down the steepest mountain with only grace and balance keeping me from an icy end, I've always needed to feel a rush. But now Death is courting me in more ways than one. First, there's Rishi, a rogue death deity who has a penchant for annoying me nearly to my grave and whose intense gaze has the power to see right through me. Then there's Hades, who I'd rather had stayed just a myth. Now that he knows I exist, he's not going to leave me alone until I meet the same end as my mother. Oh yeah, did I forget to mention her? I spent my whole life thinking she had died when I was a baby, but now I've found out she's much more than dead. Fifty years ago, Hades banished my mother from the underworld and took away her ability to cross over souls souls that have wandered lost through the world ever since. Now she wants me to clean up the mess. You may have heard of her before... They call her the Grim Reaper."

Private investigator James Bentley is assigned a deceivingly easy case. Kaylee Rhodes ran away from her strict rich parents. So, he figures she will be home by morning. The case takes
a drastic turn when she leaves the country. Just when he thought it couldn’t get any worse Kaylee does the unthinkable. With no idea why she would do such a thing, it’s a race to bring her home and find out why.

The balance of life and death must be protected at all costs. Nivian had never failed to Reap a marked soul. That is, until she meets Kain Evers, a Hunter and the only being on earth with the power to destroy her. When Reapers start to go missing, the Balance is thrown into turmoil, forcing Nivian and Kain to trust each other as they search for answers. Which is no easy task as they fight the feelings growing between them. As mortal enemies, they were never meant to work together, now they're forced to protect each other if they want any hope of righting the Balance before all is lost. Unfortunately, to succeed, one of them must die. Intense, gripping and romantic, readers of Maggie Stiefvater and Bella Forrest will love The Reapers. See why readers are calling it “A gripping tale!”

From New York Times bestselling author Donna Grant comes another gripping story in her Reaper series featuring a brotherhood of elite assassins who wage war on the Fae at Death's behest—and the women who dare to love them. There is no escaping a Reaper. I am an elite assassin, part of a brotherhood that only answers to Death. And when Death says your time is up, I’m coming for you… The latest threat uncovered, it is my honor and duty to oust those responsible for the slaughter of so many and make the Fae Others pay for their crimes. However, nothing could have prepared me for the stunning and curious female that crosses my path. She’s an enigma: equal parts strength and vulnerability. She quiets the rage I’ve carried within me for so long and makes me question Death’s directives for the first time ever. Her tragic, emotional story touches something deep within me, and her bravery is awe-
inspiring—which makes it doubly hard to let her return to the enemy and the dangers that await. I never expected her, but I need her. She is everything to me, and I will do whatever it takes to make sure she’s safe and by my side. Forever.

A former law enforcement agent with the federal government describes the dangerous world along the U.S.-Mexico border, offering a revealing insider's account of the battle against smugglers of drugs and desperate human refugees in a world of official corruption, mass murders, treason, violence, betrayal, and government wrongdoing.

Dr. Peter Brown is an intern at Manhattan's worst hospital, with a talent for medicine, a shift from hell, and a past he'd prefer to keep hidden. Whether it's a blocked circumflex artery or a plan to land a massive malpractice suit, he knows what evil lurks in the hearts of men. Pietro "Bearclaw" Brwnwa is a hitman for the mob, with a genius for violence, a well-earned fear of sharks, and an overly close relationship with the Federal Witness Relocation Program. More likely to leave a trail of dead gangsters than a molecule of evidence, he's the last person you want to see in your hospital room. Nicholas LoBrutto, aka Eddy Squillante, is Dr. Brown's new patient, with three months to live and a very strange idea: that Peter Brown and Pietro Brwnwa might-just might-be the same person . . . Now, with the mob, the government, and death itself descending on the hospital, Peter has to
buy time and do whatever it takes to keep his patients, himself, and his last shot at redemption alive. To get through the next eight hours-and somehow beat the reaper. Spattered in adrenaline-fueled action and bone-saw-sharp dialogue, Beat the Reaper is a debut thriller so utterly original you won't be able to guess what happens next, and so shockingly entertaining you won't be able to put it down. Ever so slowly Dakota Territory is being transformed from a vast prairie into rich farmland. With the coming of the railroad, the small town of Blessing begins to prosper, and the Bjorklund family is reaping the promised harvest that had lured them from their beloved home in Norway. But for Ingeborg and Haakan, realizing their dreams will not come without a struggle. After their own fields are harvested, Haakan and the neighboring men take the steam engine and the separator on the road, threshing for other homesteaders in return for a portion of their grain. With Haakan away and the fields standing idle, Ingeborg frets over work yet to be done. Fearing an early change of seasons, she takes matters into her own hands. Has the land become more important to Ingeborg than her own family?

A bundled collection of the complete Lana Harvey, Reapers Inc. series (books 1-7). RETURN TO LIMBO CITY (a Lana Harvey, Reapers Inc. spin-off series)
coming 2021! It's a hard-knock afterlife... Meet Lana Harvey, a reaper who resides in Limbo City, the capital of the modern afterlife, where deities from every faith must coexist and work together to keep all hell from breaking loose in Eternity. It's a tall order, and up until recently, Lana didn't realize how much of that responsibility rested on her shoulders. If you had Lana's job, you'd be grim, too.

Witches and Reapers Survival is a game best played by the hunter... not the prey. Tobin, the master of deception, has seeded his web of information in almost every stop he has been to. He is an artist of death, painting the rivers of life to flow in the gorges demanded by Bytos, god to the Assassins. While painting his latest canvas and planting his newest seed, he meets someone just as deadly, Queen Marilynn. He is drawn to her as a moth to a flame, never understanding the dangers in front of him. This soon-to-be mother of his child and wife to King William is no mere human herself. Through godly creation, Marilynn was unleashed centuries ago into the realm with one goal, domination of all and servitude to her and her god, Seren. The price of reverence is steep; in exchange for eternal life, Marilynn believes she must sacrifice her child to Seren every hundred years, something she has come to do without hesitation or remorse.

The explosive new thriller series written by Nicholas Irving, the New York Times
bestselling author of The Reaper and star of Fox's American Grit. "Wow! Irving & Tata make an incredible team. Reaper: Ghost Target is pedal-to-the-metal action packed with great twists and turns. Think 'Jason Bourne meets Bob Lee Swagger' then buckle up and get ready for one hell of a read!" —Brad Thor, #1 New York Times bestselling author of Use of Force “A compelling and intriguing tale, layered with suspense, told by two people who know what they’re talking about. This one goes on your keeper shelf.” —Steve Berry, New York Times bestselling author of The 14th Colony American hero, or unhinged vigilante? In Reaper: Ghost Target, Vick "The Reaper" Harwood is an esteemed sniper with a record kill count—33 kills in 90 days—when he is knocked out under mortar attack in Afghanistan. He wakes up back in the United States with little memory of what happened, his spotter and gun both unrecovered from the battlefield. Harwood has resigned himself to slowly picking up the pieces of his life, training Special Forces snipers in Fort Bragg, North Carolina, and starting a promising relationship with an Olympic medalist named Jackie. But when a series of assassinations start occurring in the area, Harwood can't explain why he just happens to be nearby for each killing—or how a sniper rifle that matches the description of the one he lost seems to be involved. His memory of the past few days is hazy and full of blackouts, and even he has to wonder, is he being
framed? Or is he the killer? As Harwood runs from the authorities, his girlfriend falls off the radar, his missing spotter resurfaces, and the assassinated men are outing as drug and sex traffickers. Nothing is adding up. Harwood realizes he has to unravel this mystery, and fast, or find himself paying the ultimate price for crimes he may not have committed.

Beyond the Martial Empire and within it, the threat of war looms ever larger. Helene Aquilla, the Blood Shrike, is desperate to protect her sister's life and the lives of everyone in the Empire. But she knows that danger lurks on all sides: Emperor Marcus, haunted by his past, grows increasingly unstable and violent, while Keris Veturia, the ruthless Commandant, capitalizes on the Emperor's volatility to grow her own power--regardless of the carnage she leaves in her path. Far to the east, Laia of Serra knows the fate of the world lies not in the machinations of the Martial court, but in stopping the Nightbringer. But in the hunt to bring him down, Laia faces unexpected threats from those she hoped would help her, and is drawn into a battle she never thought she'd have to fight. And in the land between the living and the dead, Elias Veturius has given up his freedom to serve as Soul Catcher. But in doing so, he has vowed himself to an ancient power that demands his complete surrender--even if that means abandoning the woman he loves.

A New York Times, Publishers Weekly, and IndieBound bestseller! Balancing epic and intensely personal stakes, bestselling author Adam Silvera’s Infinity Son is a gritty, fast-paced adventure about two brothers caught up in a magical war generations in the making. Growing up in New York, brothers Emil and Brighton always idolized the Spell Walkers—a vigilante group sworn to rid the
world of specters. While the Spell Walkers and other celestials are born with powers, specters take them, violently stealing the essence of endangered magical creatures. Brighton wishes he had a power so he could join the fray. Emil just wants the fighting to stop. The cycle of violence has taken a toll, making it harder for anyone with a power to live peacefully and openly. In this climate of fear, a gang of specters has been growing bolder by the day. Then, in a brawl after a protest, Emil manifests a power of his own—one that puts him right at the heart of the conflict and sets him up to be the heroic Spell Walker Brighton always wanted to be. Brotherhood, love, and loyalty will be put to the test, and no one will escape the fight unscathed.

Poor thing has no idea what she's just gotten herself into. The sacrificial lamb for her stepfather's sins. She foolishly traded her life for his. One look at her and we knew she didn't belong. Beautiful. Innocent. Good. Everything a world like ours would devour. If we were better men, we'd let her go. But my brothers and I are sinful bastards, And she may be the closest thing to heaven we'll ever get to taste. We'll dominate, manipulate, and make use of our little toy... Until she inevitably breaks, as most porcelain dolls do. Once we're through with her, our good girl won't just be broken... She'll be utterly destroyed. Preorder REAPER: GHOST TARGET now, Nick Irving's debut thriller that Brad Thor calls "one hell of a read"! The Instant New York Times Bestseller by Co-Star of Fox's American Grit and Legendary Ranger Nick Irving Groundbreaking, thrilling and revealing, The Reaper is the astonishing memoir of Special Operations Direct Action Sniper Nicholas Irving, the 3rd Ranger Battalion's deadliest sniper with 33 confirmed kills, though his remarkable career total, including probables, is unknown. Irving shares the true story of his extraordinary
military career, including his deployment to Afghanistan in the summer of 2009, when he set another record, this time for enemy kills on a single deployment. His teammates and chain of command labeled him "The Reaper," and his actions on the battlefield became the stuff of legend, culminating in an extraordinary face-off against an enemy sniper known simply as The Chechnian. Irving's astonishing first-person account of his development into an expert assassin offers a fascinating and extremely rare view of special operations combat missions through the eyes of a Ranger sniper during the Global War on Terrorism. From the brotherhood and sacrifice of teammates in battle to the cold reality of taking a life to protect another, no other book dives so deep inside the life of an Army sniper on point.

A series of vignettes exploring African American life as it relates to social, political and family dynamics. For many, Cane is considered a literary masterpiece from visionary writer, Jean Toomer. He presents a diverse collection of tales with distinct and vibrant characters who populate a world that’s all too familiar. HEADLINE: Jean Toomer delivers a vivid depiction of America in the early twentieth century that centers the Black experience, consisting of family, religion, romance and race. It’s a detailed work of fiction that’s closely rooted in reality. A collection of disparate stories illustrating the challenges and motivations of Black people in the United States. The author uses
poetry and imagery to create a world that’s recognizable but also unique. In “Seventh Street,” the narrative follows the happenings of a historic neighborhood with links to World War I and Prohibition. There’s also “Blood Burning Moon,” which highlights a volatile love triangle that leads to tragic results. It’s an insightful read that introduces outsiders to a different point of view. Jean Toomer’s Cane is highly revered for its unique structure and compelling storytelling. It presents a brilliant contrast of rural and urban living, while acknowledging the racial disparities of both. This modern classic was crucial in establishing and cementing Toomer’s literary legacy. With an eye-catching new cover, and professionally typeset manuscript, this edition of Cane is both modern and readable.

Marie doesn't need a complication like Horse. The massive, tattooed badass biker who shows up at her brother's house one afternoon doesn't agree. He wants Marie on his bike and in his bed. Now. But Marie just left her abusive jerk of an ex-husband and she's not looking for a new man. Especially one like Horse. She doesn't know his real name or where he lives. She's ninety percent certain he's a criminal and that the "business" he talked with her brother wasn't website design. She needs him out of her life, which would be a snap if he wasn't so damned sexy. Horse is part of the Reapers Motorcycle Club, and when he wants something, he takes it. What is he wants is Marie, but she's not interested in becoming some biker's property. Then her brother steals from the club. Now Marie can save him by giving Horse what he wants--at home, in public, on his bike... and if she's a very, very good girl, he'll let her brother live.

Author's Note: This book was originally released through a small publisher in 2013.

My dad's an asshole. Plain and simple. He's made it obvious that I can only ever rely on myself. Until I meet them. Caden, Tyler, Jensen, and Lukas. My new stepbrother and his best friends have suddenly become my everything. Until they aren't. They think they can break me, but they're dead wrong. They wouldn't have bet on me having someone else on my side, or in
my bed. These rich boys haven't seen anything yet. Their pretty lies are nothing compared to what's coming though, and I'm going to need them to anchor me when I finally break. Death is coming to those who deserve it, and I don't care if I lose myself in the process. Did I mention the local street crew being on my side? No one will ever see me coming. My name's Rory Donovan, and I'm about to paint the walls red.

When he discovers his brother's ex-girlfriend Sophie and his nephew Noah are living in near poverty, tattooed biker Ruger steps in to help them and gets more than he bargained for when Sophie shows him just how much she wants him in her life—and in her bed. Original. 75,000 first printing.

Everything I've ever known has been a lie. From my family history, to the very reason I ended up on the streets as a kid. There was only one person I ever trusted completely. I'll never trust him again. Archer Hendricks is everything I despise and crave. I've never loved and hated someone so much in my entire life. Too bad my heart didn't get the memo that he's the devil. Archer's not the young boy I fell in love with when I was a child. He's the leader of the Reapers of Chaos crew, and he only sees me as a possession. He doesn't love me, he just doesn't want Axel to have me, and he's keeping secrets. I'm going to set everything he owns on fire and watch the docks burn at my feet. I know Rory and Jade will stand beside me while we watch the smoke billow into the night sky. I just hope I can stand my ground and forget he was ever a part of my soul. My friendships are fragile and I'm starting to break. I've learned to only rely on myself no matter what, but it might push me over the edge. Especially if the Shadow Kings get their hands on me. I'm a dead woman walking. My name's Lexi Bryant, and I never claimed to be good. I'm about to wreak havoc on the only man I've ever loved.
