

## The Way To Lasting Success Unleash Your Limitless Potential Elevate Goal Setting Improve Thinking And Decision Making And Create The Life You Want

Transform your team during crises and establish an enthusiastic and strategic culture In an approach similar to the way a doctor reads a chart and runs tests to diagnosis an illness, Prescription for Lasting Success offers a practical system for solving problems in an organization. Leaders can get back on track and increase their effectiveness in spite of significant change. Readers learn to diagnose the 4 Ps: purpose, passion, planning, and people. Using the 4 Ps model, the book gives practical suggestions to help teams, businesses, and associations increase their effectiveness and help organizations transform into dynamic, profitable entities. Particular focus is given to finding ways to incorporate purpose and ignite passion into the workplace, and remove obstacles to peak performance Addresses how the model can be used to achieve peak performance in the workplace and maintain it over an extended period of time Dr. Susan Reynolds is President and CEO of The Institute for Medical Leadership. A former emergency physician, emergency medical center CEO, and White House health care advisor, Dr. Reynolds is the creator and Program Director for the highly acclaimed Chief of Staff Boot Camps Get the right prescription for your organization's issues and help them thrive, even in times of great challenge.

“Drop the flashcards—grit, character, and curiosity matter even more than cognitive skills. A persuasive wake-up call.”—People Why do some children succeed while others fail? The story we usually tell about childhood and success is the one about intelligence: success comes to those who score highest on tests, from preschool admissions to SATs. But in How Children Succeed, Paul Tough argues that the qualities that matter more have to do with character: skills like perseverance, curiosity, optimism, and self-control. How Children Succeed introduces us to a new generation of researchers and educators, who, for the first time, are using the tools of science to peel back the mysteries of character. Through their stories—and the stories of the children they are trying to help—Tough reveals how this new knowledge can transform young people’s lives. He uncovers the surprising ways in which parents do—and do not—prepare their children for adulthood. And he provides us with new insights into how to improve the lives of children growing up in poverty. This provocative and profoundly hopeful book will not only inspire and engage readers, it will also change our understanding of childhood itself. “Illuminates the extremes of American childhood: for rich kids, a safety net drawn so tight it’s a harness; for poor kids, almost nothing to break their fall.”—New York Times “I learned so much reading this book and I came away full of hope about how we can make life better for all kinds of kids.”—Slate

When should you adopt an aggressive business strategy? How do we make decisions when we don’t have all the information? What makes international environmental cooperation possible? Game theory is the study of how we make a decision when the outcome of our moves depends on the decisions of someone else. Economists Ivan and Tuvana Pastine explain why, in these situations, we sometimes cooperate, sometimes clash, and sometimes act in a way that seems completely random. Stylishly brought to life by award-winning cartoonist Tom Humberstone, Game Theory will help readers understand behaviour in everything from our social lives to business, global politics to evolutionary biology. It provides a thrilling new perspective on the world we live in.

Napoleon Hill summed up his philosophy of success in Think and Grow Rich!, one of the bestselling inspirational business books ever. A recent USA Today survey of business leaders named it one of the five most influential books in its field, more than 40 years after it was first published. Now, in Napoleon Hill's Keys to Success, his broadly outlined principles are expanded in detail for the first time, with concrete

## File Type PDF The Way To Lasting Success Unleash Your Limitless Potential Elevate Goal Setting Improve Thinking And Decision Making And Create The Life You Want

advice on their use and implementation. Compiled from Hill's teaching materials, lectures, and articles, Napoleon Hill's Keys to Success provides mental exercises, self-analysis techniques, powerful encouragement, and straightforward advice to anyone seeking personal and financial improvement. In addition to Hill's many personal true-life examples of the principles in action, there are also contemporary illustrations featuring dynamos like Bill Gates, Peter Lynch, and Donna Karan. No other Napoleon Hill book has addressed these 17 principles so completely and in such precise detail. For the millions of loyal Napoleon Hill fans and for those who discover him each year, Napoleon Hill's Keys to Success promises to be a valuable and important guide on the road to riches.

The phenomenal follow-up to the bestselling Built to Last Imagine discovering what successful people have in common, distilling it into a set of simple practices, and using them to transform your career and your life. That's what Jerry Porras, Stewart Emery, and Mark Thompson, leading thinkers in organizational development and self-improvement, have done in Success Built to Last. Two hundred remarkable people are included, notably: -Jeff Bezos, founder and CEO, Amazon.com -Warren Buffett -Bill Clinton -Frances Hesselbein, former CEO, Girl Scouts of America -Maya Angelou -Bill Gates Each shares how he or she harvested victories, learned from failures, and found the courage to be true to their passions. By following a set of simple principles culled from these inspiring interviews, readers can transform their business and personal lives, and discover the true meaning of success.

Are you at the top of your game—or still trying to get there? Take your cues from the short, powerful Nine Things Successful People Do Differently, where the strategies and goals of the world's most successful people are on display—backed by research that shows exactly what has the biggest impact on performance. Here's a hint: accomplished people reach their goals because of what they do, not just who they are. Readers have called this "a gem of a book." Get ready to accomplish your goals at last.

Every leader wants to finish well, but sometimes the challenges and discouragements in life become too much to handle. Overwhelmed, we settle for less than God's best. Whether you are just beginning your ministry journey or you are a seasoned veteran who is feeling tired, ineffective, or ready to quit...maybe it's time for a Leadership Awakening! Your life can be marked by God's goodness all the way to the finish line. Through the time-tested principles Doug Stringer lays out, you will discover how to... Measure successful leadership God's way Overcome the oppositions godly leaders face Display leadership traits that transform your family, workplace, church, and world Equip yourself and those you're leading-to run the race and finish well And much more! Don't allow yourself to become a casualty on the battlefield of Christian leadership. You can have an impactful life and hear God's beautiful words of affirmation at the end of your journey..."Well done, good and faithful servant" (Matthew 25:23).

This book is written in the style of the great Napoleon Hill. Think about this. With all of the success books out there, why don't we have more successful people? Too many success books simply rehash conventional wisdom. The truly great success books, such as Napoleon Hill's "Think and Grow Rich", instead enable life-challenging success breakthroughs because they identify and describe in powerful detail the thinking patterns and principles of the world's most successful individuals. The only way to do this is to study the world's most successful individuals, as Napoleon Hill has done. And as I have done as well. For over two decades, I have devoted myself to studying and interviewing the most successful individuals across varying fields so that I could see and learn for myself the principles which sets them apart in terms of their success. And that is what I share with you here. Get ready to throw out many of the things that you thought you knew about success. Let's start at the beginning with a simple truth. Success is hard. Very Hard. Very very very hard. We all know that, once we have had a little bit of experience and are honest with ourselves. We all want to be more successful, but let's face it, sometimes we just don't know how. It's

## File Type PDF The Way To Lasting Success Unleash Your Limitless Potential Elevate Goal Setting Improve Thinking And Decision Making And Create The Life You Want

because, as they say, "We don't know what we don't know." So we make the same mistakes over and over again (often without fully realizing it until later). And then we blame ourselves (or others) in regard to why things didn't turn out as we had hoped, or planned. It's this simple. If you want to increase your level of success, read this book. We all go through the same struggles. This book - simply but powerfully - is your instruction manual on how to overcome them. Read this book and in 60 days you won't even recognize the person you used to be. And neither will your family and friends. This is the type of change that allows you to get the things you really want in life. The things previously outside your reach. The things you saw others gain and achieve, but never seemed to be able to get for yourself. That can change today. We all know that a few better ideas can accelerate one's success substantially. Successful people take their better ideas and know how to leverage them further - and execute them better than other people do. Once you understand the processes that successful people utilize to do this, you can very quickly ramp up your own success as well. Everybody struggles. Successful people struggle just like unsuccessful people but they learn and use the success principles to overcome the difficulties in their lives to reach their goals. Success breeds confidence, making it easier overtime. If you don't want to keep making the same mistakes over and over again, you need to understand and understand well what these success principles are. That is what this book provides to you.

The road to your success is not a highway. You have to create it as you go. This collection of 10 classic self-help books was built for people willing to achieve the incredible journey of life with a certain dose of success. CONTENTS: 1. Benjamin Franklin - The Way to Wealth 2. Florence Scovel Shinn - The Game of Life and How to Play It 3. James Allen - As A Man Thinketh 4. James Allen - From Poverty to Power 5. Joseph Murphy - The Power of your Subconscious Mind 6. Lao Tzu - Tao Te Ching 7. Marcus Aurelius - Meditations 8. Napoleon Hill - Think and Grow Rich 9. Sun Tzu - The Art of War 10. Wallace D. Wattles - The Science of Getting Rich

Success is often measured by financial successes and business achievements. The intention of this book is to help entrepreneurs, leaders and individuals to reflect and re-evaluate their current level of success, to see whether it is serving them or the people around them. Where their notions of what it is to be successful have come from, and whether they now feel appropriate to them. Authentic Success is by its very nature a personal journey of exploration and there are no rights or wrongs to each journey. What matters is whether it resonates with you. This book enables you to create a life path for yourself that is more harmonious for you to enjoy and experience, which in turn is more harmonious and satisfying for those around you. In that way we all could achieve more with less effort and less strife, which ultimately will help the world, become a slightly better place to live in. LID Publishing's popular Concise Advice Lab notebooks are designed to be quick and comprehensive brainstorming tools and skill-building resources for busy professionals. The small trim size makes it easy to take along in a briefcase or purse. Interior pages are matte finish, so ink won't smear, and there's plenty of space to jot notes. A ribbon makes it easy to mark your place, and the elastic outer band keeps the notebook closed.

"This is not a book about charismatic visionary leaders. It is not about visionary product concepts or visionary products or visionary market insights. Nor is it about just having a corporate vision. This is a book about something far more important, enduring, and substantial. This is a book about visionary companies." So write Jim Collins and Jerry Porras in this groundbreaking book that shatters myths, provides new insights, and gives practical guidance to those who would like to build landmark companies that stand the test of time. Drawing upon a six-year research project at the Stanford University Graduate School of Business, Collins and Porras took eighteen truly exceptional and long-lasting companies -- they have an average age of nearly one hundred years and have outperformed the general stock market by a factor of fifteen since 1926 -- and studied each company in direct comparison to one of its top competitors. They examined the companies from their

## File Type PDF The Way To Lasting Success Unleash Your Limitless Potential Elevate Goal Setting Improve Thinking And Decision Making And Create The Life You Want

very beginnings to the present day -- as start-ups, as midsize companies, and as large corporations. Throughout, the authors asked: "What makes the truly exceptional companies different from other companies?" What separates General Electric, 3M, Merck, Wal-Mart, Hewlett-Packard, Walt Disney, and Philip Morris from their rivals? How, for example, did Procter & Gamble, which began life substantially behind rival Colgate, eventually prevail as the premier institution in its industry? How was Motorola able to move from a humble battery repair business into integrated circuits and cellular communications, while Zenith never became dominant in anything other than TVs? How did Boeing unseat McDonnell Douglas as the world's best commercial aircraft company -- what did Boeing have that McDonnell Douglas lacked? By answering such questions, Collins and Porras go beyond the incessant barrage of management buzzwords and fads of the day to discover timeless qualities that have consistently distinguished out-standing companies. They also provide inspiration to all executives and entrepreneurs by destroying the false but widely accepted idea that only charismatic visionary leaders can build visionary companies. Filled with hundreds of specific examples and organized into a coherent framework of practical concepts that can be applied by managers and entrepreneurs at all levels, Built to Last provides a master blueprint for building organizations that will prosper long into the twenty-first century and beyond.

Are you successful? More important, are you happy with your success? Few people ever achieve anything close to real success--and its resultant joy. You wouldn't guess that from the shelves of books on the subject that you find in practically every bookstore and library. Why, in spite of so much valuable information, do so few individuals find their way to lasting success? The real problem is that most people never take into account the single most important factor, the one that affects every other factor critical to lasting success. In fact, most people would consider this unrecognized factor an obstacle to their dreams rather than the missing key! Written in allegorical form, Sidetracked by Mediocrates takes you on a journey of discovery with a young man determined to find success, though he has little idea what it is and how to get there at the outset of his quest. If you aren't sure how to pursue your dreams, join in the adventure. You'll be glad you did!

Self-made man and renowned Baptist minister Russell Conwell helped to usher in a paradigm shift in Christian thinking in the late nineteenth and early twentieth centuries -- and also managed to help remake the self-help genre in the process. The Key to Success is a comprehensive overview of Conwell's philosophy, and it's chock-full of ideas that will help you make your wildest dreams of success come true.

Callahan Coffee Roasters has fallen on bitter times. Faced with an unexpected dip in revenue, the company brings in Max Anderson, a well-known turn-around man, to get earnings back on track. From all appearances, Max should be the one teaching the employees and managers at Callahan about best business practices--but from day one, nothing goes as Max expects. Max ends up on a journey through Callahan with his little rolling desk in tow, meeting Callahan's people and discovering the Eleven Core Values they live and work by. Packed with real-life anecdotes and actionable tools, The Rolling Desk is a business fable that reminds us that people form the heart and soul of any business.

Drawing on Zen philosophy and his expertise in the martial art of aikido, bestselling author George Leonard shows how the process of mastery can help us attain a higher level of excellence and a deeper sense of satisfaction and fulfillment in our daily lives. The founder and CEO of Path North, Georgetown University professor, and former White House advisor teaches you how to find meaning, balance, and purpose throughout your career while reaching the highest levels of professional achievement—how to do well without losing

## File Type PDF The Way To Lasting Success Unleash Your Limitless Potential Elevate Goal Setting Improve Thinking And Decision Making And Create The Life You Want

yourself. Throughout his illustrious career, J. Douglas Holladay has taught generations of executives as well as students in his popular MBA course at Georgetown how to use a holistic approach to defining and reaching success in life and business. Success does not come with an instruction manual. Too often “successful” people end up feeling empty, isolated, and depressed because they have lost focus on what is most important in their lives. Rethinking Success can help anyone, no matter their field, maintain the practices and values that keep them in tune with their most cherished beliefs throughout their careers. Drawn from the insights of his network of famous friends as well as his experiences as an investment banker, White House advisor, diplomat, longtime business professor, and non-profit consultant, the advice in Rethinking Success is centered around eight essential questions we must ask ourselves regularly to stay focused, connected, and joyful throughout our working lives. Filled with essential wisdom, Rethinking Success is a powerful guide that allows us to do well while staying in tune with the values and beliefs that are most important to us.

Lawyer turned entrepreneur Terry Giles explains what sets high achievers (“the fifteen percent”) apart from those who don’t quite make it. This is a riveting story of what it takes to win and keep winning—in business and in life—from one of America’s most successful entrepreneurs, with a foreword by Secretary of Housing and Urban Development Dr. Ben Carson. On the surface, Terry Giles has a classic American success story. By 30, he built one of the largest criminal defense firms and generated tens of millions in revenue working with high profile clients. By 34, he left the legal profession and achieved even greater success as an entrepreneur, seemingly overnight. But as Giles observes in *The Fifteen Percent*, no one goes through life without facing serious obstacles. Speaking from his own hard-won experience from a difficult upbringing to America’s loftiest boardrooms, Giles answers the question that took him years to answer: Why do some people overcome hardships while others do not? Citing research that fifteen percent of those individuals who face adversity and hardship are able to rise above the despair and succeed above all odds, Giles uses examples from his career and life to illustrate why and how this phenomenon occurs. From his childhood in the Missouri Ozarks, to defending the victims of child sex abuse, to creating a plethora of business enterprises, and even organizing a presidential campaign, he learns from experience the traits that define “the fifteen percent.” Even more important, in each chapter you will learn valuable skills including fearlessness; embracing underdog status; visualizing the future; and positive thinking; proving that you do not have to be a victim of bad circumstances to adopt the superpowers of “the fifteen percent.” Entertaining, inspiring, and full of useful insights you’ll turn to again and again, *The Fifteen Percent* will help you overcome whatever’s holding you back, so you can achieve lasting success in business and in life.

Sustainable Success is a simple approach to creating lasting success in your life, business, and community. This book presents easy to understand ideas and concepts that are entertaining, uplifting, and natural to implement. The title, Sustainable Success, is the best description of what you can expect to learn from reading this book. Success, real success, is meant to be simple, sustainable, and inclusive of all people. The intent of this book is to provide a profoundly powerful yet simple out of the box approach to manifest the experience of lasting success in the reader's life. True success is available to the rich and the poor, the famous and the unknown. Living an integrated life leads to success that can be sustained. To be integrated means that we consider everything, including: Other people, the environment, physical things, as well as how we think and act spirituality. It

## File Type PDF The Way To Lasting Success Unleash Your Limitless Potential Elevate Goal Setting Improve Thinking And Decision Making And Create The Life You Want

means we look at things from the combined perspective of body, mind, and spirit. This book is designed to generate maximum results with minimal effort and can be read from cover to cover or used as a reference to access specific information when you need it. In Sustainable Success you will find a simple effective approach to support you in attaining lasting success and fulfillment in your life.

Defining success as the journey, not the destination, Dr. Schuller, "The Master of Possibilities", shows readers how their dreams--no matter how impossible they seem--are the seeds for their success. Hope and concrete how-to's on the art of success from the bestselling author of Tough Times Never Last, But Tough People Do!

Discover the Source of Lasting Success. Many books have been written on the subject of positive thinking and success, but they focus on the mental realm only and lack a spiritual connection. There is only one way to achieve true and lasting success and that is found through the Word of God. The image that God's Word builds inside you can become the most powerful force in your life. That image causes you to succeed when others fail. God's Word motivates you to a positive and successful life. It is spiritual motivation to the human spirit. It will bring you success in every part of your life- spiritually, physically, financially and socially. How to Achieve Lasting Success in Life was written with the intent to help people just like you attain their goals and succeed at whatever it is that is of the most importance as far as achievements go. The idea is to give you the tools you need to succeed, to include goal setting, planning, putting your plans into action, and, of course, the all important step of always having a backup plan. Achieving success is really quite easy if you learn to utilize the steps laid out for you in this book. Success, like most things of value in life, does not come without hard work. However, you will find that there is also outlined the importance of avoiding burnout by allowing yourself time for some recreational enjoyment. Anyone can achieve success, and hopefully the layout of this book will help guide you in achieving a lifetime of success that will create a lifetime of satisfaction.

What Does it Take to Get Ahead Now—And Stay There? High performance has always required shrewd strategy and superb execution. These factors remain critical, especially given today's unprecedented business climate. But Rich Karlgaard—Forbes publisher, entrepreneur, investor, and board director—takes a surprising turn and argues that there is now a third element that's required for competitive advantage. It fosters innovation, it accelerates strategy and execution, and it cannot be copied or bought. It is found in a perhaps surprising place—your company's values. Karlgaard examined a variety of enduring companies and found that they have one thing in common; all have leveraged their deepest values alongside strategy and execution, allowing them to fuel growth as well as weather hard times. Karlgaard shares these stories and identifies the five key variables that make up every organization's "soft edge": Trust: Northwestern Mutual has built a \$25 billion revenue juggernaut on trust, the foundation of lasting success. Learn how to create an environment that engenders trust and propels high performance. Smarts: In most technical fields your formal education quickly becomes out of date. How do you keep up? Learn how the Mayo Clinic, Stanford University women's basketball team, and others stay on top by relentlessly pursuing an advantage through smarts. Teamwork: Since collaboration and innovation are a must in the global economy, effective teamwork is vital. Learn how global giant FedEx stays focused and how nimble Nest Labs relies on lean teams with cognitive diversity. Taste: Clever product design and integration are proxies for intelligence because they make customers feel smart. But taste goes further into

## File Type PDF The Way To Lasting Success Unleash Your Limitless Potential Elevate Goal Setting Improve Thinking And Decision Making And Create The Life You Want

deep emotional engagement. Specialized Bicycles calls it “the elusive spot between data truth and human truth.” How can you consistently make products or services that trigger these emotional touch points? Story: Companies that achieve lasting success have an enduring and emotionally appealing story. What’s your company’s story? How do you tell it your way? Gain the ability to create a powerful narrative in a world where outsiders often exercise the louder voice.

Never-before-published wisdom from famed self-help author Napoleon Hill, the legendary author of the classic best seller *Think and Grow Rich*, has been immortalized for his contributions to the self-help genre. In this never-before-published work Hill shares his principles of success, key habits that provide the basis for life-changing success. *Success Habits* explains the fundamental rules that lead to a prosperous life. From the importance of having Definiteness of Purpose to the inexorable influence of the Cosmic Habit Force, Hill’s principles offer a new way of thinking about intention, self-discipline, and the way we lead our lives. Originally a series of radio talks delivered in Paris, Missouri, *Success Habits* is filled with personal anecdotes and stories and is written in an approachable, conversational style. Hill’s insights apply to every facet of life, inspiring readers to leverage his principles to achieve their own aspirations and create the successful lives they have always dreamed of.

A financial news anchorwoman and columnist draws on interviews with people from a broad spectrum of backgrounds who have overcome personal difficulties and remained prosperous during challenging economic times, sharing their perspectives on living successfully in accordance with one's priorities.

This book is most suitable for aspiring and practicing project managers keen to benefit from real projects lessons learned, coupled with preparation for PMP or Prince II exams. Akin to those in PMO and program level managers and directors and management level who often play the stakeholders roles in the projects in the organization and interested to accelerate the success rates of project investment using lessons learned. This book dives deep into true scenarios in appreciating project business value, project financing decisions and looking at projects as investments tool by using certain mathematical formula and analysis methodology in achieving earned value management or arriving at decision point of continue or terminate projects. This book looks deep into compilation of bonus tips on applying PMP formula and principles into using soft and hard skills through easy-to-read and user-friendly diagrams. In the end, a PMP or Prince II or ITIL qualification is simply not enough without real field experience. Therefore, lessons learned and learning from last things first would be of great help here. **FORGET EVERYTHING YOU KNOW ABOUT STRESS.** If you’re like most people, you probably think that stress is an inevitable part of life. The truth is: it’s not. In a groundbreaking 30-year study, Dr. Derek Roger has discovered that everything we think we know about stress—and how we should “manage” it—is just plain wrong. **STRESS IS A CHOICE.** It is not a natural response to the pressures of work. It’s a choice that you make, consciously or not, to worry and fret and agonize over the work you need to do—instead of just doing it. **WORK DOESN’T HAVE TO BE STRESSFUL FOR YOU TO BE SUCCESSFUL.** This book offers a radically different approach to stress. It’s about being resilient. Flexible. Mentally awake and in the moment. It’s about changing your mindset to keep things in perspective instead of adding fuel to the fire with negative thoughts. The techniques you’ll find in this book are powerful, practical, and proven to work—without stress. A

revolutionary approach to preventing stress that is evidence-based, life-changing, and scientifically proven to work Why do some people get stressed while others stay calm, cool, and collected under pressure? According to renowned stress researcher Dr. Derek Roger, the answer lies in resilience—your ability to cope with challenges and thrive under adversity—rather than ruminating and obsessing over them. In lab-controlled studies, he discovered that the key to “managing” stress is to stop it before it starts. To be resilient, flexible, and ready for anything. The culmination of three decades of research, this book presents a practical and proven program of simple step-by-step techniques that you can use to:

- Adjust your mindset and work more efficiently
- Control your response to any kind of pressure
- Detach and let go of negative thoughts
- Put things in perspective and focus on what matters
- Develop a stress-free leadership style
- Build more resilient teams and organizations
- Give constructive feedback and communicate effectively
- Differentiate between caring (useful) and worrying (useless)
- Open your mind to new approaches and ideas
- Reach higher levels of success—without all the stress

Warning: This is not another stress management book. It’s not about finding time to relax. It’s about cultivating resilience—the ability to negotiate the rapids of life without being swept away. It’s about reprogramming your emotional responses to high-pressure situations and breaking the self-defeating habits that do nothing but increase your levels of stress. In this book, you’ll find case-by-case studies and day-to-day techniques to help you readjust your attitude from the moment you wake up. You’ll discover essential tools for a stress-free life, including 3 questions to ask in a crisis, 4 steps to handle everyday pressures, and 8 behaviors that alleviate stress instantly. Best of all, the book shows you how to instill a no-stress approach to work in your fellow employees, throughout your organization. Remember: You are not genetically programmed to experience stress. You have a choice. You can make your success the hard way—or you can *Work Without Stress*.

Do you ever wonder how some people make success look so simple? In *Succeed*, award-winning social psychologist Heidi Grant Halvorson offers counterintuitive insights, illuminating stories, and science-based information that can help anyone:

- Set a goal to pursue even in the face of adversity
- Build willpower, which can be strengthened like a muscle
- Avoid the kind of positive thinking that makes people fail

Whether you want to motivate your kids, your employees, or just yourself, *Succeed* unlocks the secrets of achievement, and shows you how to create new possibilities in every area of your life.

Get the results, recognition, and reputation you deserve In *TIP*, Dave Gordon tells the engaging and motivating story of Brian Davis, an average salesperson who is fired without warning for being average. After 10 years at the same company, he is suddenly faced with no immediate prospects, an uncertain future, and a young family to support. With minimal savings, and determined to not lose everything he’s worked for, he reluctantly takes the only job he can get at a popular bar and restaurant called Crossroads. Guided by an unlikely mentor, and insightful colleagues and customers in an unforgiving environment of relentless customer service, he learns the four simple principles of *TIP* to take control of his life, his career, and his future: 1. Enhanced self-awareness 2. Confident communications 3. Commitment-based actions
