questions, with graded student responses, so you can see clearly what is required to get a better grade.

The Cat in the Hat introduces beginning readers to maps—the different kinds (city, state, world, topographic, temperature, terrain, etc.); their formats (flat, globe, atlas, puzzle); the tools we use to read them (symbols, scales, grids, compasses); and funny facts about the places they show us (“Michigan looks like a scarf and a mitten! Louisiana looks like a chair you can sit in!”).

through activities such as maps, charts, diagrams, and graphs that support National Geography Standards. It also includes assessments and answer keys.

A practical teacher's resource for Key Stage 1 geography, relevant to the National Curriculum and the Scottish Guidelines for Environmental Studies 5-14. It covers all the key requirements and provides sections of structured lesson plans on all main geographical themes; 80 linked copymasters, including both information and pupil activity sheets.

The framework for teaching document is an evolving instrument, but the core concepts and architecture (domains, components, and elements) have remained the same. Major concepts of the Common Core State Standards are included. For example, deep conceptual understanding, the importance of student intellectual engagement, and the precise use of language have always been at the foundation of the Framework for Teaching, but are more clearly articulated in this edition. The language has been tightened to increase ease of use and accuracy in assessment. Many of the enhancements to the Framework are located in the possible examples, rather than in the rubric language or critical attributes for each level of performance.
